## Manager's Tip Spurs Arrest of Theft Suspects

An alert store manager gave information to Elk Grove Village police about two suspects who were caught Sunday morning minutes after a theft in the RGA food store, Arlington Heights Rd. and Algonquin.

Richard Struga, 317 Main St., Bellwood and Carmine Dimarzio, 907 S. Carpenter, Chicago, both unemployed bartenders, were charged with felony theft.

RAY BLOOD, manager of RGA, said Struga looked suspicious as he handled food items in the store.

Finally, Roid said, he saw Struga hide some cigarettes under his coat and apprehend him.

Struga was reportedly carrying a carton of cigarettes toward the store exit when the

manager asked him to stop. The suspect said he had forgotten his wallet and tried to run out of the store.

BLOOD CHASED him but Struga slipped over a stack of bottles, pushed Roid against a soft-drink machine and fled to a car parked outside.

As the car was leaving, Roid took down the license number and the make of the car and called the police. Sgt. Rufus Sprinkle said the car was stopped on Route 35 about two blocks north of Devon. Sabragia and Dimarzio drove off the car, were arrested. About 32 packages of goods were found on the suspects, police said.

SPRINGFIELD said the arrest was made about five minutes after Roid called the police.

Both suspects were held at the police station pending a Monday court hearing.

Jack W. Martin, assistant to the superintendent of Dist. 214 who Saturday evening received the "man of the year" award from the Arlington Heights Jaycees, stands with the distinguished guests in his life, who were present for the presentation. Left to right are Mrs. Jack W. Martin, holding the Distinguished Service Award plaque; Mrs. Gerald Martin of Peoria, the husband; and Mrs. Herman Allman of Troyville, Ill., the grandmother.

## Martin Honored as Young Man of Year by Jaycees

Jack W. Martin, assistant to the superintendent of High School Dist. 214, was honored as the "man of the year" by the Arlington Heights Jaycees at a dinner Saturday evening at the Elk Grove Lake Country Club in Itasca.

The Jaycees club year select a young man, 21 to 35 years old, for distinguished service to his community and to his profession.

Martin was honored for his work with the United Fund, village council, the Boy Scouts and the Veterans British Scholarship Fund, for having suggested the name of the new John Henry High School in Arlington Heights and having proposed and supervised the Dist. 214 Gold Club Club under which older citizens in Wheeling and Elk Grove

Townships may attend without charge adult education classes and at public activities of the five high schools in the district.

THE JAYCEES Distinguished Service Award plaque presented to Martin by Robert P. Harnschan, County superintendent of schools, gave the recognition dinner address. Harnschan was introduced by Rep. Eugene F. Schickman of Arlington Heights.

Harnschan outlined the duties of his office. "We are constantly concerned in the office of county superintendent of schools with giving more services and less with regulations and clerical matters," Harnschan said.

He reported that the Cook County superintendent weekly receives 2,000 letters, 1,000 telephone calls and conducts 30 or more conferences. There are more than 38,000 school teachers in Cook County with whom the superintendent of

schools maintains contact. There are 452 school buildings which the county superintendent constantly must check for safety. Of the 316 million adults living in Cook County almost

The inquisitive elk at the Elk Grove Farm Preserve attract the attention of many children on spring afternoon.

## Secret Meeting Discussed Fee, Candidate Says

An independent candidate for the Prospect Heights School Dist. 23 Board of Education has charged that the allegedly illegal secret meeting held by the board on Feb. 27 was for the purpose of discussing a \$10 supply fee.

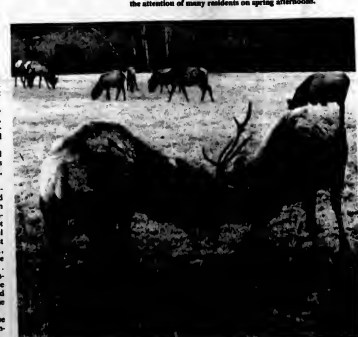

S. Bruce Wallace, 1211 Highland, said that the Saturday night meeting held in Board President Robert LeFlore's home was called because of pressure being placed upon the board from the state superintendent of public instruction's office.

According to Wallace, the school board had authorized the charging of \$10 for each pupil for the use of certain school supplies, and the state officials termed it illegal.

"IN FACT," Wallace said, "I was the one who brought the matter up in the first place." The letter from the state of Illinois arrived, Wallace said, Jan. 26. The next regularly-scheduled meeting was for the following Monday, Jan. 29, and the informal "coffee" was held two days before the regular meeting, Wallace said.

Wallace's statement coincides with those of board members Mrs. Maureen Sanderson and Roy Weinberg, who said they were not notified of the meeting until that Friday night. At the last regular board meeting, Weinberg had objected to the short notice and Mrs. Sanderson had said the refusal to attend the meeting since she was "objected." She would not elaborate on to whom she had objected.

In Illinois, meetings may be closed if they discuss person

## Grade School Tax Hike Passes Easily

BY RICHARD CRABBS  
The citizens of the Arlington Heights Public Elementary School Dist. 25 made it clear in Saturday's referendum that they intend to continue to maintain one of the outstanding grade school systems in the Chicago suburbs.

Dist. 25 voters approved for 33 1/2-cent tax increase in an unopposed and unprecedented turnout. Voters approved the 21-cent increase in the educational fund tax rate and a 17 1/2-cent increase in the building fund tax rate. Both increases were the maximum allowed by state law in a single referendum.

The education fund tax increase was approved by a 4,787 to 2,584 vote.

The building fund tax increase was approved by an only slightly less overwhelming majority, 4,529 to 2,831.

VOTING was on a scale never recorded only in state and national elections. More than half of the voters registered in the district for national elections cast ballots.

The identical proportions were defined in a Dist. 25 referendum held in September 1966. In that balloting 4,462 voters had voted approval of the proposed tax increase would make it possible to ac-

completing the following in 1968-69 year:  
- Hire the 30 or more additional teachers needed to handle the 400 to 500 more students expected to register in September. Twenty new classrooms will be ready to receive the additional students, but without the additional funds voted Saturday it would not have been possible to build the new facilities.

Raise the minimum teacher salary to \$6,400 a year to be competitive with neighboring school districts. The current minimum salary is \$5,700.

To operate Dist. 25 schools, with approximately 9,500 students expected to register in September, will require the least of 75 per cent participation of the following year's tax revenues. The school board now expects to be 60 per cent.

The building funds approved Saturday will enable Dist. 25 to begin long overdue repair and maintenance work on its buildings.

## Man's Condition Critical After Auto Accident

Conrad Braun, 70, of Wheeling, in a "critical" condition at Northwestern Community Hospital in Arlington Heights after an auto accident Friday at Buffalo Grove Rd. and Palatine.

Arlington Heights Police said Braun's car collided with a car driven by Beverly L. Moss, 23, of Palatine, who was injured by the impact at the time of the accident.

Braun was taken to Northwestern Community Hospital in Wheeling, where he was injured by a car driven by Ronald B. Kasper, 27, of Oak Park, who was injured by the impact at the time of the accident.

Braun was taken to Northwestern Community Hospital in Wheeling, where he was injured by a car driven by Ronald B. Kasper, 27, of Oak Park, who was injured by the impact at the time of the accident.

## Who Was 1st: The Township Or The Elk?

Which came first, the Elk Grove Township? According to former Ranger Thomas Canale, the elk didn't arrive until the spring of 1923, well after the township was established. The first herd, consisting of one male and nine females, was shipped to the Elk Grove Farm Preserve by train from Jackson Hole, Wyo., Canale said. The present herd numbers 31 and grazes on a 23-acre preserve in the forest preserve on W. Higgins Rd. Canale said that the herd is hunted periodically and animals are sent to other farms for preservation. The elk are cared for by maintenance men who feed them and attempt to replace the winter supplement of small diet of grain. Canale said that the elk are friendly as a rule, but become unspectacular during mating season. The young usually are born in the summer, Canale said.

# Tour of Mansion Will Benefit Park Ridge School for Girls

BY MARILYN HELLERS

Wandering through the 20 elegant rooms in the Lake Forest mansion "Carlewood," it was difficult to understand why someone in the Chicago area had not conceived the idea before.

The boards of the Park Ridge School for Girls have arranged to have Chicago area interior designers re-model and decorate the rooms of "Carlewood" for a home tour May 4 through May 25.

Instead of driving from home to home to view different decorating techniques, this pointed means with its make-or-order traffic pattern will be a self-contained home tour.

**THE DRIVE** up the half mile tree-lined entrance was lovely even without any evident traces of spring. When the tour begins in May, the drive should be spectacular. Accent touches will even be added to the grounds for the tour.

The name "Carlewood" was given to the Lake Forest home by Col. and Mrs. George Tracy Bucklinham (famous for Buckingham Palace), the original builders. The home was started in 1919 and completed in June 1930.

The architect, Edwin H. Clark, combined Tudor and Early Georgian in his design of the 20-room home surrounded by 20 acres of lawn, meadow and woods. Clark received a national award for his design of the library.

**THERE HAVE BEEN** several owners of "Carlewood." In 1949, Dr. and Mrs. B. Leche purchased the house. Mrs. Leche furnished it with treasures brought from her castle in Denmark, her village in Palm Beach and her home in Chicago.

The house has been loaned to the Board of the Park Ridge School for Girls for the first "Decorators' Show House" by Mrs. William J. Hagel, Jr., the present owner.

Attending the "before" tour of the house was Mrs. George Tracy Bucklinham, a guest told Mrs. Bucklinham that she and her husband had looked at the home, which is presently for sale for \$175,000, but they didn't think they would be able to find the homehold help to staff it.

"I don't have much living help," said Mrs. Bucklinham. "We just had a cook, two maids, a chauffeur and a gardener who lived in, and the gardener lived some help in the spring," she said.

**WORK IS NOW** in progress to get the Lake Forest mansion in top-top shape by May 6, when for \$216 the public may tour it. Proceeds from the tour will benefit the Park Ridge School for Girls, a home and school for dependent adolescent girls.

Girls come to the Park Ridge School for Girls from broken and low income homes from all over the state. They are placed here by juvenile courts, social agencies, parents or relatives.

Many are emotionally disturbed and all have known heartbreak. They receive professional corrective care and homelike attention.

Helping on this enormous tour project, that has taken a

Back view of the Tudor and Early Georgian Lake Forest home that will be opened to the public as "The Decorators' Show House" by the Park Ridge School for Girls May 4-May 26.

Admiring one of the elegant twin chandeliers at each side of the fireplace in the dining room of Carlewood at 6 to 8 p.m. Mrs. Edgar Swanson, Jr. and Mrs. Robert Hayes.

Above-Mrs. Robert Hayes left served coffee and Mrs. Bucklinham is the dining room of "Carlewood" during a preview of the home. Mrs. William Napp (right) helped convert it over through the museum.

Left-Junior Board members of the Park Ridge School for Girls a visit with Mrs. G. Tracy Bucklinham, original owner and builder of Carlewood. (l. to r.) Mrs. William Napp, Mrs. E. Joseph Cole, Mrs. Bucklinham, Mrs. Edgar Swanson, Jr. and Mrs. Robert Hayes.

## Mad Hatter Luncheon

Members of the Newcomers Club of Arlington Heights are busy creating hats for their annual "Mad Hatter" luncheon. Wednesday, March 13 at Old Orchard Country Club.

Reservations for the luncheon should be in by tonight. Call Mrs. Ellen Larsen at 259-3802, Mrs. C. S. Boller at 992-6528 or Mrs. Robert Huber at 253-5970.

Prizes will be given for the prettiest, most clever and funniest hats created by guests and members. Cocktail hour at 4 p.m. and a steak buffet luncheon will be served at 5 p.m. followed by cards.

**THE EVENING** meeting of the Newcomers Club will be held March 30 at Pioneer Park. The early bird closes at 8 p.m. and the business meeting begins at 8:15 p.m.

Refreshments, social hours and cards will follow. Mrs. Harry Bauer may be contacted at 392-9263 for membership information.

At 9 a.m. March 20 Newcomers will board buses for a Flower Show tour at the International Amphitheatre in Chicago. They will have lunch in the Gold Room of the Stock Yard Inn and return to Arlington Heights at 3 p.m.

For information call Mrs. Donald Williams, 255-5591.

## Day at HOME

Monday, March 11, 1968

## Junior Women Hear 'The Magic of Bonsai'

The Arlington Heights Junior Women's Club will meet at 8 p.m., Tuesday, March 12 for a demonstration lecture on "The Magic of Bonsai" by Clay Laubach.

Laubach is in charge of Bonsai sales and Bonsai promotion at the D. Hill Nursery, Dundee. Special guests at this meeting will be the editors of the women's pages of the local newspapers.

First-hand tips and helpful advice on the age-old Japanese art of Bonsai-growing will be given by Laubach who says, "Many Japanese have started Bonsai trees to be enjoyed by their grandchildren 150 years later."

**THE ORIGINAL** Bonsai trees were brought to the United States by D. Hill Nursery in 1902. Hill made arrangements with a Japanese nursery to send four experts in the country with specimen plants to train Hill employees in the culture.

Clay Laubach of D. Hill Nursery in Dundee will help members of the Arlington Heights Junior Women's Club enjoy "The Magic of Bonsai" at their meeting March 12.

## Child Study Talk: Let Child Express Himself Through Art

Understanding for enriching the child's experience. Mrs. Michaelis is a BAE graduate of the Art Institute of Chicago. She taught two meetings at 8 p.m. March 13 in Parish Hall of St. Michael's.

During the past year she has assisted in an art program at Immaculate Lutheran School in Palatine.

Informal conversation and refreshments, served by Mrs. Donald Herzt and her committee, will conclude the evening.

Anyone interested may attend. There is a \$1 admission charge for non-members.

"Let Your Child Express Himself Through Art" will be the topic discussed by Mrs. Fritz Michaelis at the Child Study Group of Barrington. The group meets at 8 p.m. March 13 in Parish Hall of St. Michael's.

Mrs. Michaelis will use a series of children's art to illustrate the stages of development by art education. These stages can give parents and teachers necessary aid.

**St. Peter Dorcas Aid Meets Tonight**

The Dorcas Aid of St. Peter Lutheran Church, Arlington Heights, will meet at 7:30 p.m. Tuesday, March 12 in Nook Hall of the church.

Mrs. E. Edward Laubach, president, invites the ladies of St. Peter congregation to attend and to bring new or used items for a white elephant auction after the business meeting.

## Caretakers Circle

ANDREA BOGOZINSKI

Discussion leaders will be Mrs. Arthur Scheldup for circles III and IV and Mrs. Norman Soderstrom, circles I, II, and V.

Circle I meets at 8 p.m., Monday, March 11 in the home of Mrs. Adolph Johnson, 1015 N. Halsted.

Circle II, 8 p.m., Thursday, March 14 in the home of Mrs. Philip Wray, 512 S. Patton.

Circle III, 8:30 a.m., Wednesday, March 13 in the home of Mrs. Harry Winkbauer, 821 N. Drury.

Circle IV, 8 p.m., Monday, March 11 in the home of Mrs. Nellie Quam, 1701 W. Euclid.

"The Caretakers" will be the topic for the March circle meetings of Lutheran Church Women of Our Savior's Lutheran Church, Arlington Heights. The program will help members discuss, learn and act in relation to the crisis America faces.

Conservation of its natural resources.

Discussion leaders will be Mrs. Arthur Scheldup for circles III and IV and Mrs. Norman Soderstrom, circles I, II, and V.

## Horoscope

FOR TODAY

PICES (Feb. 20 - Mar. 21)

- You can improve both business and pleasure today through the application of knowledge recently gained.

Watch the opportunity.

ARIES (Mar. 22 - Apr. 20)

- The best of all signs having a share in the benefits of a project if you shoulder your part of the responsibility for it.

TAURUS (Apr. 21 - May 21)

- Especially favored at this time are all projects directly concerned with commercial gain. Gather your support.

GEMINI (May 22 - June 21)

- Face issues without hesitation and you should be able to see them clearly. Avoid being about the bush.

CANCER (June 22 - July 23)

- You can benefit through cooperation with higher-ups. Offer your services; don't wait to be called upon before giving of the wisdom of others.

LEO (July 24 - Aug. 23)

- You can know real success in the immediate future if you lay your plans carefully and with full consideration for the wishes of others.

VIRGO (Aug. 24 - Sept. 23)

- Time loss may in the long run be time gained. What appears on the surface may not be so at all.

LIBRA (Sept. 24 - Oct. 23)

- You can gain an advantage if you are wise enough not to take the opposition for granted. Expect a trick and you can deal with it.

## 'Worst in 4 Years'

# Fire Swoops Through Home

BY MEL MILES

Mount Prospect firemen went almost four hours last night battling a blaze that destroyed a "villa" home at 221 S. Wapello.

Fire Chief Edward Haberkmper tentatively estimated damage to the home at \$250,000, but added that he intended to inspect the rubble today. Haberkmper called the fire the "worst residential loss in the past four years."

Fire officials said that the blaze started when Kevin O'Neal, 17, whose parents own the home, spilled gasoline on the basement of the house.

The youth reportedly was repairing a motorcycle at the time of the mishap. Firemen said that O'Neal was attempting to fill the cycle's gas tank when gasoline spilled and evidently was ignited by a furnace pilot light.

ONE FIREMAN, Jack Mueller, received minor injuries while fighting the blaze and was treated at Holy Family Hospital in Des Plaines. Hospital officials said that Mueller suffered a sprained wrist.

According to fire officials, 23 men and eight pieces of equipment were at the scene of the fire. Fire engines were called to standby in case of other calls and in engine

company from the Des Plaines Fire Dept. was temporarily stationed at the Mount Prospect fire department.

The fire really was going when we got there," said Haberkmper. An oil gas meter in the basement disconnected and flames could be seen shooting out of the second gas pipe. Gas company workers were called to the scene and the gas was shut off.

Flames and heat were so intense that a hole was burned in the kitchen floor and the garage plunged through to the basement.

FIRE DEPT. records indicate that the first alarm for the fire was sounded at 6:19 p.m. The blaze was considered under control about two hours later, but fire units remained on the scene for several more hours, pumping water from the gutter, hammering and prying against hot embers and burning debris.

The owners of the home, Mr. and Mrs. H. L. O'Neal, reportedly spent the night with relatives in Mount Prospect.

Earlier in the fire, firemen found a fire at 725 W. Dempster in the Birchwood of the fire department. The fire started in the kitchen of an apartment building owned by Richard Kennedy. No damage estimate was available, but firemen reported the kitchen was gutted and there was some smoke damage to other apartments.

Mount Prospect firemen used a specially developed new tactic to extinguish gasoline-fed flames in one fire at a home at 221 S. Wapello last night. One fireman suffered minor injuries while fighting the fire, which left the house a total loss.

## Board Committee Approves Rand-Grove Apartments

BY LINDA GAMMILL

A special committee of the Village Board of Trustees last night gave tentative approval to the Rand-Grove apartment complex.

The apartment would be located north of Thomson St. and east of Buffalo Grove Rd. and south of Superfund.

The owners of the land, Howard Bortz and Roy Guelich, have been awaiting the committee's decision since Aug. 31 when the board felt that a study of multiple-unit projects in the village was

necessary before approving rezoning of that land.

THE COMMITTEE, headed by Charles Bennett, has made an evaluation of the apartment plans on rezoning, traffic and parking, and the property. The committee approved a rezoning plan, pending approval of the sewer system and other relatively minor aspects of the construction by the village trustees.

having water retention facilities for the parking lot.

A second special committee of the village board last night approved proposals for a bond issue to improve the water retention basin system in Arlington Heights. The bonds would cover upgrading of present facilities located at Hawthorn and Greenbrier Parks and at Marion and Douglas St.

THE ISSU also would cover construction of Rolling Meadows in building the Kichoff Rd. basin near the water drawn by that area comes from Rolling Meadows.

THERE IS LITTLE development in that area now, but "A retention basin should go in this area prior to development," said Woods.

Woods also said that he would like to help Mount Prospect with its flooding problem since much of the water from Arlington Heights drains to Mount Prospect. "I would like to hold back as much of it as Mount Prospect as we possibly can."

The board now is awaiting final details on the building of retention basins and the last step is then before applying the information within "a week to 10 days."

The bond issue "would not change the water rates," said Hanson, nor would it affect the property taxes.

The action is behind the proposal. "I feel these retention basins give us an extra tax," said Woods.

The driver to the left of the "new" Wilks Rd. is presented in Arlington Heights official today in village hall by representatives of the U.S. Army, Wilks Rd. is to be relocated eastward where it meets Central and Algonquin Rds., as has been part of the Arlington Heights Police Dept. defense site. From left, Village Manager L. A. Hanson, Col. William E. Hansen, Mayor John G. Woods, Atty. Joseph W. Barnette and Mel Kichoff, L. A. Hanson.

## Woman Injured In Auto Crash

Gripe Of The Day

A Schaumburg woman was injured last night in an auto accident on Blech St. in Mount Prospect.

Taken to Holy Family Hospital in Des Plaines, the 24-year-old woman was treated for facial lacerations.

Police officers were called to the scene by a passerby in a car driven by Capt. Harbrow of 1409 Birch St. in Mount Prospect. Police said that the accident occurred

when Miss Rathbone backed her car out of a driveway at her home.

She was struck by a driver from Duane by Herman of 1601 W. Central, Mount Prospect. Her car was crushed into a parking car after the impact.

Police ticketed Miss Rathbone for improper backing and charged Harbrow with driving too fast for conditions.

Mount Prospect Police said that someone forced entry into one of the homes.

Mount Prospect police course end without gasoline out of the house.

Monday night of two men, one of whom was with silver paint and that a loose pipe, but no one was sprayed with paint.

Druck Sprayed

Ed Karmes of 29 Hickory St. in Mount Prospect was

## High Schools to Ask Federal Funds for Enrichment Program

BY BETSY BROOKER

The High School Dist. 214 board of Education last night approved submission of a proposal for a summer enrichment program for students.

The proposal will be submitted to the Office of the Superintendent of Public Instruction.

The first Title I ESRA project in Dist. 214. The act provides federal funds for the education of economically and educationally deprived children.

There are approximately 329 such children in the district, according to County school officials.

THE SUMMER program will involve 20 to 25 children. The limited number will enable the district to control all of the variables and determine what direction to take. The federal money has allowed \$20,000 for the summer program. If it is

License Plate Bumper Taken

The front bumper and a license plate from a car parked at the rear of the St. Louis Hotel in 800 E. Northwest Hwy. were removed Monday in Arlington Heights Police Men.

The car was parked in the driveway joining to the street. It is thought that it would be practical to construct a special enclosure building

and to provide an outstanding staff.

CONSTRUCTION ON the 25 new classrooms being built in addition to four Dist. 25 elementary schools has progressed rapidly during the last month. The work was approximately five weeks behind schedule on Feb. 1. As much as half of the time has been gained as a result of the favorable weather. The new rooms probably will be completed in time for the opening of school on Sept. 3.

The calendar for the 1968-69 year was approved by the Dist. 25 board of Education. Students will report to the 17 schools of the system on Tuesday, Sept. 3. Thanksgiving vacation will take place Nov. 28 and 29. The Christmas holidays will begin on Dec. 23 and end on Dec. 24. Spring vacation will extend from March 31 to April 7. School closes June 13.

Although the contracts for the new buildings have not been received, the board had been considering a change from the original proposal of \$100 credit for buses operated on charter runs to \$750 credit. It was decided that this change would be "negotiating upward" and therefore would be illegal.

Authorization was granted by the board to the Board of Education, and Secretary R. Bachmeyer to sign the contracts.

It was also agreed to send a letter to the bus line companies, asking them to reduce the number of the drivers. The bus line companies are routinely charged, but that there is no guarantee that the drivers are as good enough physical condition to drive the buses safely.

Success and if the district expands it, further funds will be needed.

According to C. Miller, district curriculum coordinator, recruitment of the summer class will entail initial interviews for 40 students, meeting with parents and meeting the program with the students. The program is voluntary.

School Board Defers Action on Supply Fee

Maureen Sandstrom said the school board last night deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

The board also deferred action on a proposed fee for the use of the school building.

BOARD MEMBER Mrs.

## From Arctic Cold To Tropic Heat

Mr. and Mrs. Richard Dunlop of Arlington Heights will return soon from a winter trip that took them to both the arctic circle and the tropics.

Dunlop is a custom writer and is on a marine-gathering trip.

In February, the Dunlops took a plane to Seattle, where to an Alaska Airlines plane bound for Anchorage where they took a charter flight to

little Eskimo town, Kotzebue. There plans to Kotzebue are equipped with all so they can land on the snowy tundra. In Kotzebue, Dunlop planned to visit Eskimo friends whom he had met on a previous trip to Alaska in the fall of 1965. This is his first trip into arctic circle country in the dead of winter. He planned to observe Eskimo hunting and to experience first hand Eskimo modes of living during the arctic night, which lasts at months.

**THE ITINERARY** then called for the Dunlops to return south to Chicago to the King Island Expedition. From there, they were to go to Anchorage to attend the National Dog Sled Race and the Alaska Fur Rendezvous.

The Dunlop planned to fly directly from Alaska to St. Anthony, Tex., for a week of the Texas Fair and to take a short trip into the subarctic section of western Mexico.

## Seiler, Bates Backed For Dist. 25 Board

Formation of a citizens' group to back Ted Seiler and Robert C. Bates as candidates for the Arlington Heights District 25 School Board was announced Monday by Sidney L. Roush.

Roush, a lawyer and a resident of Arlington Heights for six years, is vice president of the Shoreline Assn. Roush said planning for formation of Volunteers for Bates and Seiler was started several weeks ago but the announcement was delayed until after last Saturday's school tax referendum.

"We deliberately held off our own campaign so that we wouldn't offer any distraction to the referendum effort," he explained. "Many

of our volunteers were also active in 'Vote Yes' campaigns and we know how important it was that it be successful."

"At Arlington Heights it is desirable in having two such well-qualified candidates in the two school board seats open at the April 15 election," Roush said.

"SEILER is an instructor who served as chief negotiator for the school board in its recent bargaining talks with the teachers. He is currently working with the board in seeking a replacement for retiring Sup't. Ralph Chisholm," Roush said.

**Liquor Thieves Hit Sun Drugs**

Scott Reid, assistant manager of Sun Drugs at Randolph Shopping Center, reported to Mount Prospect Police Monday that three persons stole an undetermined amount of liquor from the store.

five corporate boards," the volunteer chairman said. Bates and Seiler were rated as the best qualified candidates by the Dist. 25 nominating committee, which draws delegates from 11 community and civic organizations, Parent Teacher Associations and homeowners groups.

The nominating committee evaluated six prospective candidates before voting Seiler and Bates as the two best qualified.

KAREN MACDONALD

## Karen MacDonald Enters Miss Photoflash Contest

Karen MacDonald, 19, of 604 N. Wabash Ln., Arlington Heights, has entered the Miss Photoflash of 1968 contest sponsored by the Chicago Press Photographers Assn.

She will compete with more than 400 Chicago area girls for the title, prize of \$500 in cash and a trophy from the Miss Photoflash Contest, Sherman Hotel, 275 N. Dearborn St., at midnight, March 30.

## Paint Dumped On Windshield

Brown paint was used by vandals to damage the car of Quavira J. Betendorf of 3502 Kingleigh, Rolling Meadows, when the car was parked in Arlington Heights Monday.

Single girls between the ages of 18 and 25 living within 50 miles of Chicago's city center must enter by mailing a photograph with a r.m.t., age, address and telephone number to Miss Photoflash Contest, Sherman Hotel, 275 N. Dearborn St., at midnight, March 30.

## 7,427 Voted In Referendum

The official canvass of the votes in Saturday's special election in the Arlington Heights Public Elementary School District 25 was made by the board of education Monday evening.

The official count revealed that the total vote cast was 7,427 on both propositions. On the ballot to increase

the educational tax rate by 21 cents, the canvass revealed 4,787 to 2,581 with 39 spoiled ballots.

On the ballot to increase the official count revealed that the total vote cast was 7,427 on both propositions. On the ballot to increase

## A GREAT IDEA FOR KIDS!

COMING IN THE ARRLINGTON DAY

# Thoroughly Modern Me'in Spotlight

Getting ready for the Arlington Heights Junior Women's Club beauty style show is a "Thoroughly Modern Me" model Mrs. Henry Langner and daughter Lisa.

"Thoroughly Modern Me" will be in the spotlight as 10 members of the Arlington Heights Junior Women's Club model fashions from Saks Fifth Avenue at their benefit style show at 1 p.m., Saturday, March 16 at the Brasserie Restaurant in the Sheraton-O'Hare.

The models are: Mrs. D. L. Robinson, Mrs. Edward Burke, Mrs. Robert Caplan, Mrs. Joseph Cook, Mrs. James Davis, Mrs. P. B. Davis, Mrs. Jack Gold, Mrs. James O'Connell, Mrs. Roger Lindquist, Mrs. Henry Langner, Mrs. E. Byrre Marhofer, Mrs. Robert Nelson, Mrs. LaVale Park, Mrs. Robert Qualls, Mrs. James Ryan, Mrs. James Simmons, Mrs. F. Samuel Smith and Mrs. Thomas Thackeray.

Guest models are: Mrs. Frank Sauerhan, junior advisor of the Arlington Women's Club and the club models: Lisa Langner, Jeff and Tommy Higgins, and Chasen and Susan Cagari.

Nena Ross, fashion director for Saks, will be the coordinator for the show according to model chairman Mrs. Byram Dickes.

Style show chairman Mrs. James Hunter and her assistant Mrs. James Simmons have planned with the Brasserie Restaurant to serve a lunch featuring food and drink.

Patience on noodles.

Wine will also be served with the lunch.

Tickets may be obtained by calling Mrs. F. Samuel Smith 259-4173.

Packing a box for soldiers in Vietnam are (left to right) Darrell Cox, Miss D. Kofman, Ellen Haffner, Bill Hix, and Ted Hix. The students are sixth graders at Thomas Junior High and Miss Kofman is a teacher at the school.

## Messages to Vietnam

"Spring brings many things, maybe the end of a war." "May God be with you." "Return rest soon."

"Hope you like the items we sent."

There are only a few of the messages that make up a decorated scroll on its way to Vietnam. The scroll and two

6th grade pictures are tucked into a box of items collected by 6th graders at Thomas Junior High in Arlington Heights.

"The STUDENTS collected enough items to fill a box with magazines, paperback books, crowdfest puzzles, joke books,

gum, soap, canned potato chips, nuts, toothbrushes, toothpaste, hand lotion, Kool-Aid and stationery.

At Christmas, Thomas Junior High classes sent care packages to soldiers in Vietnam.

During recent home room meetings, sections 6-8 and 6-7 decided to send the package to Vietnam.

Miss Doreen Kofman, sixth grade teacher at Thomas, said the purpose of sending this package is to spread a few moments of joy and warmth to the men who receive it. We hope they will enjoy our messages, pictures and items."

At the meeting parents will receive the necessary registration forms and be asked to sign them to register their child May 8 at Wilson School.

If you have any questions, call Mrs. M. Karlin, 392-7824, Wilson School PTA Summer Round-Up chairman.

TVY HILL 5 UNOOL. Parents of next year's Hill School kindergarten children will learn about their child's first year at school at a 7:30 p.m. meeting, Thursday, March 14 in the school's multi-purpose room.

More information may be obtained from Mrs. Richard Willoughby at 259-8548.

**Kindergarten Registration**

**WILSON SCHOOL.** A meeting for parents whose children will be attending Wilson School kindergarten next Sept. will be held at 6 p.m. Thursday in the multipurpose room.

At the meeting parents will receive the necessary registration forms and be asked to sign them to register their child May 8 at Wilson School.

If you have any questions, call Mrs. M. Karlin, 392-7824, Wilson School PTA Summer Round-Up chairman.

TVY HILL 5 UNOOL. Parents of next year's Hill School kindergarten children will learn about their child's first year at school at a 7:30 p.m. meeting, Thursday, March 14 in the school's multi-purpose room.

More information may be obtained from Mrs. Richard Willoughby at 259-8548.

**Club News**

**Medical Association of Northwest Cook County.** Dr. Ricardo Cruz, urologist, will speak Wednesday in the Redding Meadows building on the subject, "Common Urinary Problems Found in Children."

Head nurse Alice Helton. A citizens committee of Des Plaines will discuss the need to enlarge the Des Plaines library.

**Disability more likely than death**

Four times more likely—if you're 42. And even more likely if you're younger.

Serious disability can stop your income. Then how do you pay family bills?

No problem—if you have a Disability Income policy from Country Companies agent.

No insurance program is complete without it. So talk it over soon with your Country Companies agent.

## Wig Demonstration at St. Emily's

The Parish Hall at St. Emily's Catholic Church will be the scene for a pot luck supper, business meeting and wig demonstration Monday, March 18.

The pot luck supper will be served at 7 p.m. with all girls in the Women's Club contributing individual meals.

A BRIEF business meeting will follow, including presenting and electing a new slate of officers.

Mrs. Robert Burhop, who chaired the recent Luncheon and Fashion show, "A Happening," will report on the affair.

A wig demonstration will be given by Orlando's Wig of Mount Prospect, including a beautiful wig to be given to some lucky lass in the audience.

Mrs. Robert G. Wagner shows Mrs. Richard Thompson how a lovely Orlando Wig would enhance her colorful. Both women will participate in St. Emily's Women's Club meeting, Monday, March 18 when Orlando's Wigs and Wigs will be demonstrated.

**School Menus**

## Day at HOME

Tuesday, March 12, 1968

### Alaskans to Speak Here Wed.

Jan and Gary Herr will speak at the Evangelical Protestant Church in Arlington Heights at 7:30 p.m., Wednesday, March 13 as a part of the Midwestern Conference series at the church during March. Gary Herr is a staff member for KNSD and will give a special presentation of the work of Central - Alaska KNSA and Radio Station KNSA which has been reported program director.

## NW Suburban Aid for the Retarded Annual Spring Resale a 3-Way Event

The annual spring resale held by Northwest Suburban Aid for the Retarded will be a three-in-one event this year. There will be the resale itself—Madame's Magnificent Resale Number 3 at Park Ridge Community Church, 100 South Courtland, Park Ridge, and South Park Field house, Talcott and Cumberland. There will be a 3 p.m. to 5 p.m. on March 15, 10 a.m. to 3 p.m. on March 16, and 9 a.m. to noon March 16. There will be a bazaar operated by members of the Service League, at the church every day of the resale. It will feature toboggans, towels, scouring pads,

paintings and many other items made by league members, as well as small business items in making arrangements. Mrs. Clark Herman, national director of the resale, will conduct a lecture-demonstration of flower arranging from 9 to 11 a.m. March 14 at West Park Field house, Western Field, one of Mr. Zonta's teachers, is assigned by him one day of the week to work with the handicapped. A number of Mrs. Field's regular students at Northwest Suburban Aid will play. Music Center also will play.

He will utilize reel baskets and other craft made by handicapped students in making arrangements. Mrs. Clark Herman, national director of the resale, will conduct a lecture-demonstration of flower arranging from 9 to 11 a.m. March 14 at West Park Field house, Western Field, one of Mr. Zonta's teachers, is assigned by him one day of the week to work with the handicapped. A number of Mrs. Field's regular students at Northwest Suburban Aid will play. Music Center also will play.

## Dialogue

"No, I wasn't picking on the mailmen yesterday, telling about the new regulations regarding postal employees' clothing, hair and jewelry."

"I just wanted to point out that happens who want to deliver mail or even sort it out inside the Post Office here, employees if they don't wear shoes or if they do wear long hair, psychedelic heads or hairs on the job."

"I guess you're just as well there are regulations like that. The Post Office people have enough to worry about without being concerned whether the employees are going to wear a hippie-type

Breaks on government property."

"That's true. One thing they're worrying about is how to do regarding an anti-drug booklet that is being mailed in Canada and delivered by the Post Office here in the United States."

"What's something like that?"

"You wouldn't think so, but from what I've learned about it, if the booklet is illegal, it's in a position to decide has made a decision yet."

"The booklet is called 'Manual for Drug Abusers'."

"It's mailed to colleges, high schools and

millant organizations throughout the United States and warned that drug-using Americans are not considered criminals in Canada."

"And they're legal in U.S. Mail for the post?"

"Apparently so. The booklet would have to encourage people to become drug addicts."

"But the Post Office legal agents haven't made up their minds yet if sending about the contents of defacing to Canada is the same as smuggling drugs?"

"Maybe they're just killing their time, hoping that the people who are no longer welcome to work in the Post

...with George Hamilton

Office survey, will read that book and take off for Canada."

"That way, the Post Office will have the first problem of the hippies and their appearance and then the book can be banned from the mails."

"Could be. But if nothing else, the booklet shows the left doggers already in Canada have a sardonic sense of humor."

"Describing the conditions a defactor may find in Canada, the booklet tells where cheap lodgings may be found. One of them, in Toronto, is called the Lyndon Johnson Memorial Mansion."

"Honestly, you're the only person I know who, for Lent, would think of giving up LENTIL soup!"

## The Arlington Day

"Honor the original dream by always jealously keeping the paper's freedom and independence."

— Marshall Field III

The Arlington Day is published daily, Monday through Friday, by Day Publications, Inc.

201 S. Arlington Heights Rd., Arlington Heights, Ill. 60005.

Second-Class postage paid at Arlington Heights, Ill. 60005.

Subscription rate: \$3 a year, \$20 a year, \$50 for 6 months.

Out of state U.S. mail rate: \$10.00 a year; \$20.00 for 6 months.

Published twice a week, 10 cents a copy.

## Daylight

By JAN BONE

Kites and string and marbles and jump ropes spell spring!

Last week's warm weather brought out kids who had been seen all winter.

Good were the scurries and the mittens and the hoots. In their place came warm SPRING brings out the creative flair in budding writers. Like Susan Schreiber, Elementary School, for instance, whose aunt observe-

tion on the reason are pinned to her school bulletin board.

"Once there was a cat," printed Susan. "She was having kittens. She was happy."

Bugs and worms and grass and seeds appear to nature scientists. So do other natural phenomena.

"GRAVITY is a thing holding people to earth," wrote another Forest View student. "Gravity holds us down."

Spring obviously is a special time for Lynde Hill, a first-grader at the same

school. "Happiest," she wrote. "I'm And she drew a birthday cake and party hats to illustrate."

Spring can also bring the excitement of his financial future. Like one kid, stuffed rabbit with black eyes and that joined our family last weekend.

"His name was \$3.99 plus tax. He was to be the property of our 8-year-old, Daniel."

LITTLE KNOWING that I was to be plucked almost to modern music. I drove our four boys to the store. I picked up the three-foot-long rabbit and headed for the checkout counter.

"Wait!" shouted Chris, who'll.

"How are we going to pay for it?"

EVERYONE STARTED talking at once. When I finally got the toties straightened out, we counted like one of those puzzles you find in the Reader's Digest.

## Spring is a Special Time

Daniel wanted to contribute 79 cents, which he'd held in a sealed envelope to his top bureau drawer—

Christopher had a \$5 bill which he hadn't deposited in his savings account. It was part of the money held sacred on his paper route.

I should have received half of \$15.75 plus tax, the bill he'd been charged for a new \$5 bill he'd paid for a Bill Cosby record on sale.

Bob, our eight-year-old, had 40 cents allowance coming, minus the 7 cents I'd previously advanced him. He had a \$10 bill in his pocket. He also claimed I owed him 30 cents for baby-sitting fees.

Bob didn't want to help pay for the rabbit. He wanted two 39-cent plastic glasses.

SOMEONE (who'd stolen in the confusion) said they'd left a red, white, and blue "Mailbox" bank with \$1.10 in it under a bed.

Jonathan, 12, ran into two classmates while we were doing our arithmetic, and offered to help them 23 cents to help them pay for a model of The Red Baron—

\$1.10. I had to decide whether four pairs of socks for \$1.10 was a better deal than wear well would be more economical than three pairs of socks for 79 cents, which was taking into account that one sock on wearing nothing but white socks and the other you may be caught dead in them—

THE GIRL at the store helpfully said, "I'd like to pick up the six pairs of black socks I'd put on today."

Somewhat, we checked out quietly, creating considerable confusion when the boy insisted on separate bags and separate receipts.

I paid for the whole thing with a check, a collected handful of change from a snatched coin.

I'm still not sure we came out right on the arithmetic.

And my husband wanted to know why I took so long at the store!

## Letters to the Editor

Benefits and savings to far have been outlined in a very brief and concise manner. I think before the people in these communities agreed with this proposal, the man who proposed it should be obliged to make a complete financial disclosure of not only what he thinks the savings to the community might be, but what the addition costs to the change will also be.

In the community from where we came, it was a virtually impossible to get the local government to draw a balance sheet on any of the proposals that they made. All they ever did was talk about the supposed savings but never discussed the added costs.

I would caution the people in the community affected by this change to be concerned with that phase of the whole affair.

I would like to highlight the fact that in all levels of government there is only inclination to increase the expenditure to match the income. In other words, it is my opinion that if this change came about, not any savings might be affected would be immediately gobbled up by other new projects.

Also the voice of the people would become smaller and the community would become more of a puppet show. I don't believe that the taxpayer should personally be asked to simply go on the opinion of so called experts in their personal experience have found to be no more expert than the next man.

I have heard some of these so-called experts testify at public meetings and sometimes they say pretty stupid things. In the large community there would be no need and more inclination to lean on the spoken opinion of the expert, at a price to the community of course, and the atmosphere of local government would become destroyed.

If the big excuse for the community is to save, the communities money I think it could be done without consultation. I have never heard of a state law which forced the community mentioned from forming a purchasing coalition.

These possible could be readily investigated and analyzed and if necessary could afford savings when the communities could certainly benefit therefrom without changing the entire complexion of the area.

Of course, people would have to transcend their petty differences. Police and Fire Department reciprocity already exists between neighboring communities.

It is reasonable to presume that other public services could be handled on such a basis also with a per diem or hourly charge. If the objective is to create savings it might be to create this instead of by a legal means.

Obviously I see the half-way rural atmosphere that we have out here and I would caution my neighbor to think about this seriously. I would say that the whole matter should be proven and an amendment in advance before a vote would be called for.

## Open Letter Urges Greater Interest in School Affairs

A Prospect Heights resident has been observing the action of an alleged secret meeting of School District 23 on the subject of a new school building. He is writing an appeal to taxpayers in the district to take greater interest in school affairs.

"I personally have been through a rather frightening experience. To start it off, I received a letter from the Board of Education, dated March 1, 1968, from President Robert W. LeFlore, asking me to attend a meeting. I was told that the meeting was to be held at the school building. I was told that the meeting was to be held at the school building. I was told that the meeting was to be held at the school building."

## Rolling Meadows Girl Wins DAR State Award

Kathy Johnson, Forest View High School senior, has won the Illinois Good Citizen Award of the Daughters of the American Revolution.

Miss Johnson, daughter of Mr. and Mrs. Carl J. Johnson, Rolling Meadows, received a \$25 savings bond as one of seven winners in the divisional competition at the Good Citizenship luncheon Saturday at the Conrad Hilton Hotel. Miss Johnson was elected by the students and faculty of Forest View High School for this position.

Miss Johnson was selected as state representative from the seven divisional winners.

For this honor, she received an additional \$100 savings bond and a DAR pin.

THE DAR presents the award on the basis of dependability, leadership, service and patriotism.

Miss Johnson is president of the Student Council, member of the National Honor Society, junior and senior physical education leader, PEG Club, and a delegate to the national and state Student Council Conventions.

Miss Johnson is now eligible for the national DAR award which will be presented in April in Washington D.C.

## St. Viator Men's Club Planning Dinner-Dance

C. Joseph Kaskie, president of St. Viator's High School's Men's Club, has announced plans for a dinner-dance on March 30 at the Turbine Room of Arlington Park.

The affair will be the culmination of the current Fund-Raising campaign for the school.

Tickets will be \$15 per couple, according to Tony Croich, dinner dance chairman.

Co-chairmen for the fund drive are: Stan Shady, Paul Singer, and Bob Brewer; Area captains are: Arlington Heights, Jack Shanley; Mount Prospect, Jack Schmitt; Palatine and Rolling Meadows, William Griffin; Des Plaines and Park Ridge, Jack Albert; Buffalo Grove, Harrison and Wheeling, Martin McLaughlin; and Roselle, Hoffman Estates, Elk Grove and Schaumburg, Tom Mullis.

Bring up! Mothers of the Prospect Heights Little League Auxiliary are going to be in July boy suitcases for their boys in the senior, junior and minor divisions. They are giving away a suit March 15 at 8 p.m. at Old Orchard Country Club, with a midnight buffet and music by the Twilighters. Thomas Hunter, 8, their oldest ticket for the auction, Mrs. Robert Hunter, chairman of the dance, at Mark Hill, 9, son of Mr. and Mrs. Robert Hill, waitress. Tickets at \$10 per couple may be obtained by calling Mrs. Hill at 356-8777.

## Day by Day

### It's 'Go' for Stop Signs

By Catherine O'Donnell

At a meeting of the Arlington Acres Association, president Peggy Yowell asked that all residents of Stonegate, Greenview or the Acres call her if they are interested in getting proper traffic signs in all of those areas. Her telephone number is CL 9-3253.

Peggy, as president of the association, has headed the request of numerous residents in the area that sends walking students in Kensington, Miner Tr. High, Wadsworth and Prospect High School.

"Unless we get signs along some of those streets we'll be sorry when it's too late," she said. Plans will be released as soon as the calls are in.

One of the most interested neighbors in Mrs. Day Roy of S. Prindle whose daughter (formerly stopped injury in a two-car collision at the corner of S. Prindle and Grove a couple of weeks ago. The girl was in a car with two other high school girls and a high school boy driver.

"They had just pulled out of our driveway," Mrs. Roy said, "and got in for the corner which is still houses away when we heard the crash. Two of the girls were

unconscious and one spent two weeks in the hospital."

"The other girl will have a cast on her arm for five weeks. Thank God, on one we were more seriously hurt. We people on the street do not understand just what it supposed to be done about traffic signs."

"For a while we had 20-mile-per-hour speed signs and they were taken down. When I called to ask why, I was told that enough tickets for speeding hadn't been issued."

"I can't figure that summer. If you ask for a stop sign, you set told that station, so that the corners in question do not have enough accident. No one records the near misses."

Meanwhile, Peggy Yowell would like to record the names of all concerned parents. Again, her phone number is CL 9-3253.

**DOWN THE UP PAGE**

Another mother reported that she had been called into the school to discuss her child's indifference to a poor mark on an arithmetic paper. "My son," she said, "had brought home a note that said the teacher was upset because her son wasn't upset by his paper. He was putting his problems across the page instead of up and down."

**PRACTICAL POLITICIANS**

Meet the Party Fun! The theme of the general meeting of the Christian Family Movement to be held on Friday, March 15, at 8

p.m. in St. James Junior High School.

The pros who will relate their past political experience will be Jim McCabe and Tom Houser.

Jim is the Wheeling Township Committeeman and past campaigner for the 13th District Congressional seat.

Tom is a former Wheeling Township Committeeman and campaign manager for Charles Percy's senatorial and gubernatorial campaigns. The two should make fascinating discussion.

Questions from the floor will be answered. Parishioners and friends are invited.

**STARDUST**

Sometimes there's more action and more excitement in a little noted contest than there is in a Houston-DCLA game. That's the state of affairs with the intra-mural basketball contest that will decide the St. Viator High School intramural championship tomorrow.

The freshmen team from senior home room 24, "The freshmen team is optimistic," said one of them. "Ho, ho, ho," said a senior team member.

It isn't often that the highest and the lowest grades meet in a sports event.

# Prize Winners 'Lost in a Limousine' On Way at Harper College

BY LINDA GAMMILL

Ever have to ask directions from the back seat of a chauffeur-driven limousine?

Judy and Mike Makinen, 1205 Cottowood Dr., Mount Prospect, did last Saturday as winners of The Daily Politics "First Baby Contest."

The Makinens were treated to a night on the town but they had a little trouble finding the town.

An dinner at the Flying Carpet Restaurant on Madison Rd. in Chicago, the couple was to go to the Blackstone Theatre to see Hugh O'Brien in the stage play, "The Cactus Flower."

IT SEEMS that the Blackstone, although it is a famous theatre, is a bit difficult to find, and nobody in the party was able to find the way. As a result, they had to pull into a filling station "to get this Cadillac limousine," said the couple.

The Makinens met and dined with the couple for a few minutes, and then it was back to the Flying Carpet for dinner.

The "first baby of the year," Colleen Lee, was born to the Makinens at 11:45 a.m. on Jan. 1, and they entered The Daily's contest. The contest ended Jan. 15, and the Makinens also have a son, Shawn, seven months old.

## If You Do Fly a Kite, Here Are Your Don'ts

1. Don't put yourself out on a limb by trying to retrieve a tangled kite. If your kite becomes tangled, just let it go. It is better to risk injury by climbing a pole or tree, or entering a hazardous area.
2. Never attach metal or other part of your kite to a power line.
3. Fly kites in unobstructed areas where traffic is light and trees and utility lines can be avoided.

Never fly kites during storms or when the string is wet.

5. Don't put yourself out on a limb by trying to retrieve a tangled kite. If your kite becomes tangled, just let it go. It is better to risk injury by climbing a pole or tree, or entering a hazardous area.

The basic rule, of course, is to use common sense," Lambert said, "and to keep your kite in the air and your feet on the ground."

and two savings accounts. One of the accounts, at the Mount Prospect Savings and Loan, was to be \$15, but of

ficials of the Savings and Loan changed it to \$15.68 to commemorate the year of Colleen's birth.

BY BETSY BROOKER

By spring of next year, all schedule changes at Harper Junior College will be processed in a matter of minutes by a computer.

According to Dr. T. Seward, director of counseling, the college is working toward decentralizing scheduling.

Colleen will be working in divisions, rather than together. A terminal visual screen will be at the disposal of each counselor in his office.

THIS PROCEDURE will eliminate duplication of records. By merely pushing a few buttons, the counselor can process a schedule change and have it recorded for the counselor's reference.

"The decentralized approach doesn't preclude a central counseling area," said Seward. There will be a central

terminal offering group counseling, a testing center, a vocational library, a placement center and interview rooms.

IT IS HOPE that by the fall of 1969 the computer system will be expanded to such an extent that it will encompass all student records, pre-registration and registration.

Dr. J. Harvey, Dean of

Students, has directed the development of the program at Harper. He is one of 20 consultants in the country for student personnel programs in community colleges, chosen by the American Association of Junior Colleges.

The October issue of the American Junior College Journal features an article by Seward explaining the system installed. The following approach at Harper College.

MELANIE A. STAUDER

## Melanie Stauder Named Home Ec Prize Winner

Melanie Ann Stauder, 17, of 823 S. Walnut, Arlington Heights, was named senior home economics student of the Penny Flame Home Economics Award Program held last Saturday.

Also taking honors was Ann Marie Lockwood, 16, of 515 E. Orchard in Arlington Heights. Miss Lockwood was named the winner in the junior competition.

Miss Stauder student Arlington High School, Miss Lockwood is a student at South Junior High.

The two girls will now compete with other home economics students from all over northern Illinois in final competition March 30. The senior division winner will receive a scholarship of \$1,000 and the junior winner will receive a cash award of \$200.

# Driver Ed. Program Revised

A revised driver education program for 1968-69 was approved by the Board of Education Monday night, March 11.

The present one-semester plan accommodates only 1,680 students.

An increase of 1,666 students is expected next year along with the opening of the new John Hersey High School.

M. Lester, District Coordinator of Driver Education, explained to the board that it will be necessary to expand to two six-semester terms, increase personnel, and increase the class time 24 additional hours.

Total cost will be \$160,700.00 in 1968-69. The state will reimburse the district for \$133,820.

# 'King and I' Auditions Next Week

Auditions for Best Off Broadway's Prince and the Princess will be held on March 15, 16, and 20 at the Little Theatre of Arlington Heights High School, 502 W. Basile, Arlington Heights. Auditions will start at 8 p.m. and will be scheduled to be held at all three dates.

Children will be auditioned on Monday, March 18, and Wednesday, March 20, from 7-8 p.m. The director will be looking for 30 children in the 10-14 age group (depending on size and a set of musical notes).

The children should be able to carry a tune and sing along with the music. Getting To Know You. Children selected will be rehearsing after school or on weekends in Arlington Heights until the last week, and then it will be night rehearsal.

THE PLAY will be presented at the Elmhurst High School on Friday, June 14, and Saturday, June 15.

Wayne's Pizzeria  
311 W. 24th St.  
CHICAGO, ILL.

14, Saturday, June 15; and Sunday, June 22 and June 29.

All Best Off Broadway productions are directed by professionals in the theatre. With as director, Ray Chongro of Harrison as musical director, and Carol Walker of Highland Park as choreographer.

Auditions are open to anyone interested in the play, as well as acting, set design, costume, scenic, and other technical staffs; are always needed and should call the numbers listed below.

Rehearsals are held at the park districts in Arlington Heights until the last week when the show is moved on stage.

"THE KING AND I" is based on the book "Anna and the King of Siam" by Margaret Landon. The play was first produced in London in 1951 at the St. James Theatre in New York City, with the late Gertrude Lawrence as Anna and Yul Brynner as the King.

Rodgers and Hammerstein's beautiful music and lyrics charmed the audiences, as well as the story.

Sam (which some claim is true).

The most lead is the King of Siam, an ambitious, resourceful statesman who gives a "gift" to the King and "I Have Dreamed" and the music "The Ballad of Usher's Tomb".

The young romantic male lead, sing "We Kiss in a Shadow" and "I Have Dreamed" is a new with a middle C to high G range.

THE MALE speaking roles are of the King, a strong, imposing Prime Minister of Siam: Capt. Oliver, a British sea captain; Sir Edward Ramsey, an ex-ambassador of Siam and an English diplomat; and the interpreter who is a minor official of Siam.

The young female lead of Anna, Louis, will sing "I Whistle A Happy Tune" and "A Partisance". Crown Prince Chulalongkorn is a young boy who matures during the play to accept a role as a young man.

There is a female lead, a strong-willed English teacher who sings "I Whistle A Happy Tune", "Hello Young Love", "Getting To Know You", "I Tell You,

"Song Of The King", and "I Tell You, I Tell You". Her vocal range is low ballad and the vocal should be soprano.

THE ROMANTIC: Ingmar is a young, lovely young girl given as a "gift" to the King and "I Have Dreamed" and the music "The Ballad of Usher's Tomb".

The young one wife of the King is Lady Thiang and she sings "I Whistle A Happy Tune" and "A Partisance".

There is a chorus number including the 27-page ballet of Usher's Tomb. Four tall women are needed to be the Amuses.

Best Off Broadway plays will provide the songs, music and accompaniment for auditions. Any person playing for the orchestra should bring a letter from the director.

For further information, call: (312) 352-8433. Mrs. Vanner TW 4-6046, or Mr. Gillette 311-2244 in the mornings or after 5 p.m.

Scott Meyer and Jim Dunham, both of Rolling Meadows, receive the Merit Award from Carl Sandburg Junior High School. Both are members of the Junior High band. Informational students, also led by director George Vinger, will perform. Also will be the Forest View High School band, led by Fred Willard. The photo is taken on the first concert.

# Five Bands to Play In Spring Concert

Local Junior High's fifth and sixth grade intermediate students will play "The Spangled Banner," "Carolee Cyle," and "The Old Man." The junior high band will play "Manhattan Beach March" by Sousa, "Symphony No. 1" by Beethoven, and "The Classic Miniatures" arranged by Lakay Jackson.

# Harris Trust & Savings Promotes 5 Area Men

Five area men have been promoted by Harris Trust & Savings Bank, Chicago. Two of the men were promoted to vice president, three were elected officers.

William C. Weisenborn, 414 E. Olive, Arlington Heights, and Roland S. Carlson, 205 W. LaSalle, Mount Prospect, were named vice presidents.

Weisenborn received his master's degree in Business Administration from the University of Chicago and his Bachelor's degree from the University of Wisconsin. He is a member of both schools and the University of Wisconsin Club of Chicago.

He joined Harris in 1953. Carlson, joined Harris in 1954 after his graduation from Augustus College, Rock Island, Ill. He also holds a master's degree in business administration from the University of Chicago.

THE NEW OFFICERS, all of Mount Prospect, are: William C. Weisenborn, 414 E. Olive, Arlington Heights, commercial banking officer, banking officer, trust department and investment department; James A. Greves, 600 N. LaSalle, Mount Prospect, assistant cashier, operation department.

Blasing is the son of Mr. and Mrs. Holly P. Blasing of Arlington Heights. He is a graduate of Lake Forest College and joined the Harris Trust & Savings in 1955.

Graves, a Northwestern Graduate School of Business Administration, joined the Harris Trust & Savings in 1956 after attending from Augustus College, Rock Island, Ill. He also holds a master's degree in business administration from the University of Chicago.

Discussion of the Administrative Salary Schedule for 1968-69 was postponed by the Dist. 24 Board of Education Monday night in a closed session 7:30 p.m. March 19.

The Administrative Salary Committee, composed of representatives of the different administrative positions, recommended continuation of the present salary system.

It was decided by board members that a discussion of salary could become too personal. They agreed to restrict the discussion to a closed meeting with the Administrative Salary Committee.

# SPRING FASHION FLING

SPECIAL SUPPLEMENT TO  
**Day Publications, Inc.**  
WEDNESDAY, MARCH 13, 1968

The romantic look for evening - white embroidered organza blouse, grey and white brocade skirt. The room are pale pink and the velvet belt is jade. From the Irene Gilbert spring collection.

A cashmere-like Molloy Donegal Handwoven Tweed of pillar - box red features the softly tailored feminine look, with navy and white buttons and matching tie belt. From the Nellie Mulcahy Spring 1968 Couture Collection.

The St. Patrick's Day parade this year will march Irish fashions right into the spring limelight. A young group of Dublin designers are carving a niche in the international fashion market with their preference for the soft feminine look.

By Jorgensen has incorporated lots of movement with precise detail. Dresses are easy fitting with a hint of a return to the more defined waist through the use of cummerbund insets. Skirts are flared featuring deep wrap-pleats with the hemline generally two inches above the knee.

For evening wear he has chosen ravishing printed silks, chiffons and crepes in colors evoking summer flowers and fruits, sweet-pea pinks, poppy reds, citrus greens, yellows and oranges.

Clodagh, one of the youngest Irish designers, prefers wearable, travel worthy fabrics in cloques, stripes, raschels, prints and twills. She has included a charmingly demure high buttoned ottoman rib two-piece in creamy white for more sedate occasions.

Gathered into a richly beaded collar is ruffled green, pure silk chiffon into a swirling circular hemline. From the Jorgensen spring/summer collection.

Mary O'Donnell has made Irish lace her specialty using hand crocheted Irish lace in a cocktail dress. Irish designers have skillfully adapted their handwoven tweed in weight and texture to suit outdoor and evening wear.

## New Leg Look Turns Groovy

Mids and make may be crying down on the fashion scene, but the midsize is still up there at the top.

Legwear round into first place in every girl's wardrobe the minute skirts started coming to mid length and today the new look in legwear is setting fashion's amateur pace.

**PANTY SOCKS**, with its quirky line from waist to toe suits the abbreviated hemline boom. And it comes in every pattern and color you can think of. There's a lively, look-through sock design shaped into a tiny bikini top. You'll find the lady look with stylized seersucker to complement this season's softer silhouettes. And diamond designs, the offspring of the fishnet pattern, take a new

twist when shaped into they cut-out cases.

**COLOR IS** important in spring legwear. And solid colors or simple pastel shades in soft pastel shades as well as bright, bold colors. One new style sprouts a cluster of delicate down one leg. It's all in step with fashion's fair for fun.

You can even step out in colorful liquid-like shimmer. The new "wet wet" stockings are short pastel style with a water-bright glimmer. You can wear them one pair at a time, or if you don't care how long it takes you to dress as long as the result puts you in the fashion hit parade, you can try a color-play of two or three pairs worn at once.

**EVEN SUPPORT** hose has come into the fashion picture. An all-in-one style now in-

corporate the features of a panty girdle and support stocking. The stretch panty hose is designed in a full range of neutral shades and soft pastels.

So step into style in the new hose that's right in fashion's stride.

**NEW FASHIONS IN LEGWEAR** take a cue from living flower power. New collection of opaque stockings and panty hose are color-coded for spring in a series of pastel and shocking-bright garden colors. Soft, see-through design panty hose (right) stretches into a lay behind top, perfect for a smooth silhouette even under the most abbreviated costume. These are designs by Haas.

## Spring Jewels - Bright, Beautiful

When her world is fairly bursting with color, a woman can hardly do less. So, at the first robin's peep, the first crocus bud, she garlands herself with costume jewelry. For instant blooming she chooses the mammals, dore up in brightest spring colors. She pins them to many fashions, clings them round her ears in colorful bands. Then, for a light, airy change from winter she turns to bamboo jewelry sparkling with touches of gold, to pristine white fresh as all springtime.

**HER EARS** take to soft, geometric shapes, softer button style, gay little clusters. And she's just discovered a new way to gild the lily: long, playful golden tassels to tuck about in front and behind the ear!

Spring is certain to be a medieval land of joy, where she can reign in giant jeweled collars with their fabulously fake looks that could fool any favorite princess. In this land of make-believe she can joyfully indulge her love of the antique look with earrings, pendants, bracelets, and the revival of the "old" - a collection of nick and her pins.

A QUICK switch to the tempo of tomorrow puts a "with it" woman in cooling lace jewelry warmed by hammered gold. She knows in quiet beauty, futuristically shaped at ears, throat and wrist, responds to the vibrant colors of Spring.

Finally, costume rings give her the best of both worlds. Here where she'll find the traditional shapes and the colorful mixing of stones, the perfect ring to accent the hand that graces Spring.

**COLOR HER SPRINGTIME** - with the colors of Spring in costume jewelry. The budding white clusters that hang so demurely from each ear, the shiny golden globe of a ring, the cascaded beaded bracelet gracing her arms in gold, black, white and green - all carry a springtime-fresh fashion message. Courtesy The Jewelry Industry Council.

## Flower Power in the Underworld

If you want to make the fashion scene this spring, break into print.

You can do it without prints or marbles; all you need is a voice in favor of flower power in the underworld of fashion.

Lingerie and foundations are blossoming with gardens of bright flowers and you can take your pick among the

daisies, carnations, and roses that will grow under cover of mini and mids come spring.

**FLOWER power** in the Cosmod collection means the elegant simplicity of the Japanese inspired Japoteka flower, or free flowing daisies

on striped grounds. Together these smashing prints make a

complete bouquet for your wardrobe, whether you are tiny or tall, large or small, and whether you want post-atomic, alpa, penisle gicle or bra. In fact, this is the first season that you'll be sure of breaking

into print, no matter what your size.

If you are shy about showing off potent prints because they have bold designs on your figure, you can have your flowers and wear them too as your own hidden indicator of spring fashion.

## Easy Knits for Spring

In double knit (right) this dress comes in hot pink and poppy with a piped inter-knit lace band. Celloso costume (center) combines a peen skirt with dark ground stripes and an all-in-one short-sleeved shirt. These are James Kirsch designs.

Chastille in all wool (left) has three pieces - cardigan, striped sleeveless shell bodice and color co-ordinated skirt. All are by Dalton of America.

### Small Bag Still Big In Fashion

The small bag is still the big bag of fashion, but it's roomier, sturdier, apter to accommodate all the essentials.

The new trend to softness is apparent in mellow, glowing antique leathers with two-tone shadings; in cozy shapes; in strap handles that are often narrowed or tapered for a

distal look. Tortoise appears in handles, locks and shell ornaments.

**Kimberly Knits** a pure wool Burnt-Inspired ensemble, full of swag and dash. The fitted and flared coat, shaped around the top and widening toward the hem, appears in the rollover style in matching dress. Definitely for down.

**\$130**

### SQUARE DEAL SHOES

Your Family Shoe Center  
260 PARKING SPACES AT OUR REAR ENTRANCE  
1516 MINER ST. DES PLAINES

**ELEGANCE AT ITS NEWEST** (left) is this dynamic coat of geometric worsted gabardine, narrowed at the top and lightly flared toward the hem. It is a Zoltan-Mattice design. The coat that looks like a dress (right) is in navy wool gabardine. It is by James Allison for Galt's Originals. Slight is added via white leather collar, cuffs and red satin bow. Fabrics are by Angelo.

### Soft But Tailored

Coats and suits with the look of spring are soft and swinging, but always well-tailored and carefully constructed. Become tough chic is out, yet no one is ready for a flourish of ruffles and frills. Suits have floppy skirts and body fit. Jackets are straight short-skirts, best with flared skirts. Or they are mini-flared, worn over mini-flared skirts.

The Bonnie and Clyde look is a designer's favorite this season, too - the long, fitted jacket, pleated skirt and shirt.

A **DRESS** often looks like a coat and can be worn as one - and vice versa. A sleeveless coat over a dress doubles as a jumper.

The ensemble - or costume is indispensable. A suit becomes a chic dress when the jacket is slipped off. Coats have dressmaker details, slotted belts with brass buckles and Mao collars. And capes are now in graceful cocoon shapes.

**ANGLO** wools and worsteds are stars of designer collections. There are suburban and worned with refined surfaces interest. And satin weaves, failles and bengalines join the spring march.

Colors are bright and clear, reds, oranges and greens and all the blue tones. And there are the binges, dove and misty brown, often teamed with vanilla.

Much of the success of these fashions for spring is the result of imaginative use of supple wools and worsteds.

**Amusing**

Jewelry for pure amusement, inspired by the tattoo book, can be found in a Garden of Eden serpent to twist around the left and right arms. Kousle-duster rings that can be worn in single or together as the left finger ring. Carnelian necklaces of chain mail mesh, giant pendants and epaulettes will be the adornments.

# Lighter Brighter Spring for Men

In the picture for spring are the double-breasted sport coats here in full with shaped waist, and last with the contoured "New Look." Suggested by American Institute of Men's and Boys' Wear. To snap the scene is Kodak Instamatic 904 camera.

Double-breasted suits continue on the spring for spring — witness this one, in blue plaid. Slight flare, waistline suppression add up to a more shaped silhouette. From Hardy Amies' U.S.A. collection, in J. F. Stevens' "Warrior" fabric.

Men's wardrobes are due to go lighter and brighter this spring, in color and pattern, explore throughout the whole range of suits, sport-coats, trousers, sportswear.

The shaped look comes into its own. Slight waist suppression, with a bit of flare, is seen in sport coats as well as in suits and topsuits.

Double-breasted styles get a stronger share in the style selection, appearing in suits, sportcoats, sportswear. Still another look is that of the relaxed, or casual, suit, created from sportswear

components — sport coat, slacks, shirt and vest. The blazer, too, now goes to business.

Men who live in northern areas and like the vented look now have it the year around. Many of the new tropical weight suits are available with matching vests.

As colors go lighter or brighter, textures are more muted. Stripes, plain plaids, checks make sense. Whatever the style, chances are it's planned for the total look. Shoes, socks and shirts — hats, too — are all color-keyed to go well with suits and topsuits.

## A Fun-Filled Fashion Spree For Little Girls

Little girls wing into spring on a fun-filled fashion spree, full of fresh colors, new styles, plus a pretty practical point of view! Big and little sister styles combine traditional looks in coats, suits and dresses with a touch of the contemporary. Fashion moves from dress-up to school to play.

For "Sunday best," coats and dress costumes show fitted waistlines with more flare. Pretty as a pretty dove, in subtle Victorian style dresses with ruffles and lace.

Traditionally well-tailored and suited for spring, suits now have longer jackets, just like Mom's, and are fitted and sometimes belted over a flared, gathered or box pleated skirt. Coats fit for the Easter parade — demifitted or fitted — and self-belted are the fashion news in double or single-breasted styles. They're found in sweats, stripes, plaids and solids.

FOR THE real school-girl this spring, there's a bright selection of separates — shirts and skirts of all sorts. Bouncy jumpers combine with girly girl blouses. And the shrewdest heads straight for the classroom. New preppy-style dresses are suited for that "little medical."

In the Victorian mood are

Pinks dot rain or shine suit is ready for any weather. The girl's coat is double-breasted, with side all pockets. Casual. This coat by Ebbey.

Flower power for girls appears in a mood of polyester-cotton voile, with print-on-omni pattern. In Laines' school polyester and cotton.

Sweater coordinate, in color or black and white. Striped overcoat pullover, shown, is topped by solid-color cardigan. By Forties.

Carves into the rugged young look for spring, in a battle jacket. By Levi Strauss in Greaterville's cotton canvas.

dresses with full, puffed sleeves — whether short or long. Hand-smocking, crisp pleating and choir-boy or sailor collars carry out the mood.

### Cool, Calm and Collected.

Quiet color-framed stripes on muted colored backgrounds tailored with singular precision in a lightweight cotton oxford. Half sleeves. Trim Hugger body in calm and collected colorings.

## Ridgewood Runs Past Grens 60-49

Boosted by the addition of three point-scoring previously tied up in a back-and-forth struggle, Ridgewood's victory track team lost in third straight dual meet Tuesday, 60-49 to Ridgewood.

With the Grens' basketball season over, Jim Oph's trackmen with two years of a school record-breaker: Tony Fomey added a second and John Knopf took a third. But Pat Lamont and Gary Stem-Lamont III and Steve vocalizing with his family were missing.

**THE GRENS** had their firsts in addition to Oph's winning 5'10" high jump and 45'1" shot put. Mike Crockett took the 50-yard dash in 5.9 seconds. Bob Buehler the half-mile run in 2:09.5, and Carroll, Roy McCullum, and Bob and Pat Tisdler seemed to win the four-day relay in 11:5.5.

Oph's high jump broke the 5'9" record he set last year. Ridgewood's Bob Sandberg shattered an Elk Grove field house mark in zooming to a 4:52.2 mile win.

The Grens' four-soph squad gave Elk Grove a split with a 64-44 win, taking first in seven events.

**BOB KUSEN** won the 60-yard high hurdles in 1.2 seconds. Greg Hart the yard run in 38.7; Mark Lickner the low hurdles in 8.4; and Lickner, Steve Roggy, Gary Domme, and Mike Mitchell the eight-hurdle relay in 2:48.4.

Jerry Ancona took the mile run in 5:04.8, Bill Tew's 48'8" shot put earned a first, and Bob Byrne long-jumped 17'4" for another Gren win.

Varsity results:

**RIDGEWOOD** 69  
**ELK GROVE** 49

Two-mile race 1. Grens, R-10:19.8. 2. Switz, EG-10:19.8.

10:40.4; 3. Brens, EG-10:55.1.

800 meter 1. Crockett, R-8:2. 2. McCullum, EG-8:4. 3. P. Tisdler, EG-8:4.

50 dash 1. Crockett, EG-5.9. 2. Watz, R-5.9. 3. Buehler, R-6.0.

Half mile 1. Buehler, EG-2:09.5. 2. Oph, R-2:11.4. 3. Buehler, EG-2:22.1.

Four-day relay 1. Elk Grove, R-11:5.5. 2. McCullum, EG-11:5.5. 3. Buehler, EG-11:5.5.

400 meter 1. Crockett, R-5:3. 2. Watz, EG-5:3. 3. Buehler, EG-5:6.

60 low hurdles 1. Crockett, R-7:2. 2. Donner, R-7:8. 3. B. Tisdler, EG-8:0.

Mile race 1. Sandberg, EG-4:52.2. 2. Watz, EG-4:57.3. 3. P. Tisdler, EG-5:0.4.

Eight-hurdle relay 1. Ridgewood-2:48.4. 2. Elk Grove-2:49.9.

Shot put 1. Oph, EG-45'1. 2. Lamont, R-44'11.5. 3. Knopf, R-44'4.

Long jump 1. Buehler, R-17'3. 2. B. Tisdler, EG-17'3. 3. Knopf, R-17'11.5.

Pole vault 1. Watz, R-11'. 2. Schacht, R-10'. 3. Knopf, EG-9'6".

High jump 1. Oph, EG-5'10". 2. Fomey, EG-5'8". 3. Knopf, EG-5'6".

## Card Gymnasts Take Finals Seriously

BY RALPH NOVAK

When a state championship is in sight, even practice sessions become serious business — not quite gim but for many.

Arifion High School's varsity gymnastics team has 12 of its members in this week's state final at Maine East. Defending state champion Eastern Township has 11.

**TUESDAY, CARD** Coach Tom Wathouse put his team through their paces, less harnessed than he was during the regular season, but still intense, trying to overcome a shortage of time and an overabundance of problems.

"I'm going to feel like a different person," he said. "I'm a perfectionist, and I'm not sure the kids understand why I can always find things wrong with what they're doing."

During this season, Wathouse at times had 60 gymnasts working on a team to keep track without an assistant. Now he has just one.

the 12, but what remains to be taught is harder to learn, and his attention is still focused.

While he was working with the horizontal bar specialists, all of the coaches of no one he was watching Doug Atkins the Card's only state finalist — working on a dismount.

"YOU KNOW YOU can do that every time," Wathouse called to Atkins. "What you've got to do is work on your routine."

Atkins started working on his routine.

Later, on the other side of the Arifion gym balcony — the gymnasts' routine practice area — Wathouse was leading for the trampoline to work with district champion Jerry Haines when under Peter Metz: rolled by Wathouse kept going for the trampoline, turning to point out to Metz the mistakes he had just made.

Arifion's hard-working all-around performer, Wayne Crockett, was working on the afternoon, and Wathouse last night when he practiced his still routine.

"I CAN SPEND an hour with you on this, Wayne," Wathouse said. "You'd better work on the parallel bars." Wathouse left to work on the trampoline and tumblers on the parallel bars. He practiced with Haines on the side, alone most of the time until everyone the had moved.

Then he moved to the horizontal bar, with Wathouse coaching and providing him to perform his dismount. The progress was grudging and incomplete, but it came.

**BY THE TIME** he got for the dismount, Crockett was doing the almost, and almost failed.

Even with Wathouse moving around like a neuron in a chain reaction, the Arifion gymnasts have to find things in something else to group theory to keep things moving.

While Wathouse was working with Crockett's ring routine, Jim Brumston was critiquing Jerry Withey's Arifion's bar workout and Withey in turn had some suggestions for George Crockett.

**AFTER WATHOUSE** left the ring area, Rick Carlson kept an eye on Kevin Under's workout, pointing out mistakes and offering advice.

Metz is the comedian of the group, uttering subliminal wisecracks and comparing the team to a bunch of half with Haines. And Wathouse took time out to make Nick Isaac as "the heaviest trampoline clown" (in any other than gymnastics circles, Isaac would be classified as medium to thin).

But when Haines and Isaac finished their trampoline and scooped on their way to the locker room to put on their gear, Wathouse looked up and said, "You're a clown."

"Maybe you're better forget that stuff," he said, "until after the season is over."

Arifion gymnast coach Tom Wathouse gives a graphic demonstration to George Crockett, one of the 12 Card to make the state final.

He leans into the dismount for a state championship seriously, and showed it in a practice session Tuesday.

## Whistle Stop

### Some Pressing Decisions

BY JOHN KATZLER

Our local horses have fallen, but excellent still are. Who will emerge victorious from the Arlington semifinals? Can Grant and Lee (other) overcome Evanston and the others? Friday will tell. In the meantime, let's look at some of the plays that could make the difference in the various regions last week.

**PLAY NO. 1** — In the

Notre Dame — New Trier East game at Niles West, there was an all-out press by the Dons when they stepped the ball to front before the 10-second delay.

**PLAY NO. 2** — Another pressing situation — Waikanae, in North Chicago at the Waikanae Regional. During a press by the Cardinals, a Waikanae forward made a long pass while straddling the center line, and then dribbled the ball once before moving his feet.

**RULING** — When a player is straddling center line, he is in back court. Accordingly, when the ball was bounced in front court and then touched by the player still in back court, it became a back-court violation. Following the violation, the ball was awarded to North Chicago and a "roving" "too" from the Waikanae fan.

**PLAY NO. 3** — During the Prospect — Maine South game, one play in particular drew a large audible response from the fans. It occurred at the fast break when Prospect's Forrest Haines, moving at top speed, dribbled the ball once and then lost control due to his momentum. The ball bounced forward toward the basket with the Prospect player in hot pursuit. He caught it just in front of the basket, took one step, and put the ball in the basket for two points.

Did the officials go? No, they didn't. The entire act was legal. One, a player loses control of a dribble, the dribble ends. He may thereafter regain possession of the ball, but he may not dribble again. Since Haines' dribble ended, he simply regained control. Haines did not violate the rule, and the basket counted.

**PLAY NO. 4** — In the Wheeling Regional, Arifion's Crockett, following a time out and just prior to the start of the official detected an Arifion player on the floor. Was this an unsavory technical foul?

**RULING** — No, in this case a misinterpreted foul was made, but the substituted-for player did move the floor immediately. Had the ball become alive before the detection, a technical infraction would have been called.

Wathouse, looking with the safety belt, and his all-around star, Wayne Crockett, discuss a horizontal bar dismount Crockett was having trouble with Tuesday.

### Jones Leads Kentucky Frosh In Shooting

Buell "Bucky" Jones, a former Forest View High School basketball standout has just completed his fourth year of college basketball, emerging as a top prospect for future University of Kentucky varsity team.

Tak 6'11" freshman forward finished his 21-game season with 260 points and 117 rebounds. He also grabbed 117 rebounds and managed to keep his personal foul to 26, a low for the team's 41.

Bellevue University left the most main from the former Falcon's scoring hands, Jones hitting for 24 points in the field-goal shooting and percentage, hitting for 103 two-pointers in 212 tries, a team-topping 466 percentage.

Jones finished second percentage-wise from the free throw line, hitting on 750 of his 772 attempts. He also grabbed 117 rebounds and managed to keep his personal foul to 26, a low for the team's 41.

Kentucky's frosh coach pointed Jones as "doing a great job" of shooting. The report went on to state that Jones is a good shooter, passer, dribbler, and ball handler. The head coach praised the forward's excellent hook shot and "deadly" set shot from outside 20 feet.

With their coach helped to raten his traveling time, George Crockett (left) and Gary Withey work over their horizontal bar problems together.

### Prospect Teams Pick Their Best

Prospect High School's Mid-Suburban League champion basketball team have elected their honorary captain and most valuable player.

The winners picked 172-pounder Terry Hahnstrom, who didn't lose all season until the state final — an honor most valuable player named 103-pounder Gary.

McMurray and 165-pounder Nick Richardson on honorary co-captains.

The basketball squad picked seventh guard Forrest Haines as their honorary captain and most valuable player.

The winners also named 180-pounder Jerry Haines as the most improved member of their squad.

This is the St. James school all-league team that finished in 14th place of the finals of the Chicago Arch-Diocese Tournament. From left to right: Jerry Haines, Terry Hahnstrom, Nick Richardson, Forrest Haines, and Mike Hahnstrom. In the second row are coach Jim Knight, Ed Hahnstrom, Mike Hahnstrom, Jim Knight, Jr., Mike Villanueva, Capt. Steve Bader, and in the back row are Curt Manning, Andy Francisco, John Fehr, and Don Eargyle, and the Rev. James Hahnstrom. The players are holding some of the trophies they earned in the course of 34 seasons.

## Knights Zip Past Fremd, 73-36, Even Dual Record

Prospect High School's indoor track team set their dual meet record at 73-36 Tuesday, February 22, by defeating Fremd, 73-36, in a dual meet meeting at 10 first places and mopping a pair of events on route.

Steve Rohrbach was the Knight's big gun, collecting 15 points of his own with wins in the 440 and 500 yard sprints and the broad jump. Rohrbach also assisted in grabbing five more points for the winners as he ran anchor in the team's winning mile relay team.

DAN DUCKY went home with both the 60-yard dash and low hurdle first-place honors. The sprinter collected all competition in the low event with a 7.9 clocking, while finishing in 8.5 in the high.

Herb Imhoff, Steve Holmes, and Bill Verley all pitched in for single wins, Imhoff copying the pole vault track with an 11'9" leap. Holmes taking the mile run in 4:33, and Verley going 36' for a high jump victory.

The Knight's and Steve Holmes and 50-yard dashes picked up all the medals, or at least the ones with point value. Gary Hirschbuhl finished second behind Rohrbach in the 300-yard dash with a 1:17 showing, while teammate Mike Corteen finished in third in 5.8.

MIKE CROWE settled for second-best in the pole vault event, going 11' for the win. Many looked puzzled as to why he took the event, clearing the bar at 10'.

Prospect's 880 relay quartet also picked up a win, Bill Brauchers, Gary Nicholson, Ted Panarelli, and Corteen combining for the event in 1:44.5.

The Knight's sophomores also took triumph over dual, slipping past the Vikings, 57-31.

The fledglings came away with six first-place finishes in the meet. Tom Barrett accounting for a pair with a 163' broad jump and a 35-50 hurdle race effort.

KEITH MATTHEWS and Steve Reynolds added two more winning marks for Prospect, Matthews winning the half mile run in 2:10 and Reynolds heading the high jump field with a 5'9" jump.

Mike Pick up the only other individual win, going 10'6" for a pole vault victory. The sophomore 880 relay team's 1:47.6 performance rounded out the team's first-place stretch. Prospect will travel Thursday to York to battle with the Ducks and return home for a triangular meet with Fremd, View and Notre Dame (Niles) Friday.

Artists' sketch of the modern distribution center scheduled to be occupied early this spring by the Coleman Flooring Co.

## Coleman Flooring Moving to Rolling Meadows

The Coleman Flooring Co. has purchased 60,000 square feet of land in the Rolling Meadows Industrial Center, Rolling Meadows. The site includes a newly-constructed 23,000-square foot midwest distribution center situated on Valley Dr.

The building consists of a warehouse and office facilities.

The price tag for the complex, including the building to be built by Lee Construction Co., was set at \$180,000 by Ralph M. Gershenfeld, assistant vice president and head of the Industrial Sales Div. of Kenney, Inc. realtors.

## Benefit Dinner-Dance

Arrangements for the second annual benefit and dinner dance sponsored by the Board of Directors of the Clearbrook Center for the Retarded were announced at a recent board meeting by chairman Richard Impey. The dance will be held on Saturday evening, April 6, at the Illiana Country Club in Innes, Illinois. Cocktails will be served from 6:30. Dinner will be served at 8.

Music for dancing will be provided by the 17-piece orchestra of Art Hale. Dinner tables will accommodate 10 persons. Tickets, at \$20 per couple, are available from board members, or may be ordered by calling the Clearbrook Center at 255-0120.

## Prospect High Remodeling OK'd

The Dist. 214 Board of Education authorized the employment of Berger-Kelly-United-Scaps and Associates for the Life-Safety remodeling of Prospect High School, Monday night, Mar. 11.

The state requires in the Life-Safety Code that all buildings constructed before 1960 be re-examined and brought up to date.

In 1966, Berger-Kelly-United-Scaps completed a Life-Safety survey of Prospect High School. A tax was levied in September, 1967 to acquire the funds.

According to state law, remodeling must be completed within three years of the survey. In order to meet this deadline, the board has authorized the architect to prepare drawings for approval by the board. The board has decided that all construction shall be done on a time and material basis. It was discovered in the remodeling of Arlington High School, that this method is cheaper.

Band members of Holmes Jr. High School received medals Tuesday for "excellent" and "superior" ratings in a recent area solo and ensemble contest.

Assistant principal Philip Crad presented the awards at an all-school assembly.

Head director for Holmes, John Jay, Julius Low, and Forest View Elementary Schools is Thomas Morgan.

MEDALS were awarded to: Gary Linn, Terry Palmberg, Matt Catton, Eric Miller, Randall McKee, Bradley Hockstetter, Beth Lyon, Jacqueline Nitz, Danny Rhoads, Jeffery Kennedy, Gary Westerman, Peter Casey, Jack McClure, Ed Krabe, Lisa Baugh, Cindy Swenson, and Karen Whitehead, all of Arlington Heights.

Anita Cassman, Donna Mariello, Audrey Kintner, Dennis Oberhardt, Vincent Cortina, Paul Bjork, and Patricia Long, all of Mount Prospect.

Medals were awarded Tuesday to 39 Holmes Jr. High School band students who received "excellent" and "superior" ratings in a recent area music contest. (L. to R.) Jeff Kennedy, 214 Gendler Rd., Arlington Heights; and Pat Linn, 1297 Sunset, Mount Prospect, which won the contest.

Prospect: Linda Thomas, Lori Madox, Dorcas Hansen, Crystal Schuman, and Cheryl Turban, all of Elk Grove Village. Accompanist for many of the musicians in the area contest was Miss Sharon Wilson, a music teacher at Holmes.

## In Special Training

An Arlington Heights resident, Rosalee Beards (second from right), 107 N. Whittier Lane, is in special training at The Suburban Cook County Tuberculosis Sanatorium-Hospital near Hinsdale. Other students there from Lutheran General Hospital are (from left) Sharon Rake, Niles; Marjorie Altengraber, Chicago; Linda Wilkings, Northridge; Karen Fykhalski, Niles; Cheryl Kienke, Mount Prospect; and Nina Jane Eyer, instructor at Lutheran General.

## Stanley Perry Named Bank Vice President

The Bank & Trust Co. of Arlington Heights has announced the appointment of Stanley A. Perry to its officer staff as vice president and trust officer. Perry now heads the trust department which was opened on March 4.

Perry was graduated from DuSable University College of Law with an LL.M. degree and was admitted to the bar of the State of Illinois in 1953. He is also a graduate of the National Trust School conducted at Northwestern University by the American Banker's Association.

Perry has more than 10 years of experience in the trust field. He was executive officer in charge of the trust

department at both the Suburban Trust and Savings Bank in Oak Park and the Oak-Mark International Bank of Chicago.

He later joined the Land Trust Div. of the LaSalle National Bank in Chicago.

During the Korean War, Perry served as Chief Legal Advisor in the Adjutant General's department.

BEN BALDWIN

## To Attend Conference

Ben Baldwin, 1404 Daywood Ln., Mount Prospect, will attend the 1968 National Leaders Conference of the Equitable Life Assurance Society of the United States in San Francisco, Calif.

Baldwin was chosen for outstanding performance as a representative of the Woody Agency in Chicago.

He has four children and has been a resident of Mount Prospect for three years.

STANLEY A. PERRY

## St. Alphonsus Players Offer 'Campaign Capers'

The St. Alphonsus Country Players of Prospect Heights are rehearsing a musical review staged March 29 through 31.

The musical's theme is politics through the ages. It starts in the days of the Pharaohs, passes through the chariot era and shows Christopher Columbus playing politics so he could discover America and include the Pilgrims and Indians.

The production, directed by George Reynolds and assistant director Dodge Dodge, agreed that the size of the cast and all the help donated by the St. Alphonsus parishioners this will be a really big show.

"Campaign Capers" will be presented at Wheeling High School, Hins and Route 83, Wheeling. Performances will be at 8 p.m. March 29, at 8 p.m. March 30, and at 8 p.m. March 31. Tickets which must be purchased in advance, may be ordered by calling 296-2241 or 296-7312.

## Palatine Eyes Fair Housing

Village board members in Palatine are considering a fair housing ordinance proposed by Palatine's Human Relations Commission.

The suggested ordinance was presented Monday at the village board meeting. It is similar to the ordinance which Arlington Heights recently adopted.

# Panel Urges Cutoffback In Health Dept. Staff

By Charles Mounstaden

The number of employees in Arlington Heights' Health Department must be reduced, the village board's finance committee and the health board agreed last night.

Village officials and trustees have been saying since November that a re-evaluation and a study on the department will be made, but nothing was proposed last night.

A proposal to hire one nurse and keep one sanitarian will be handed to the board of trustees in the 1968-1969 budget.

During the last six months the village was served by two

full-time nurses and one sanitarian. One of the nurses acted as health director.

The two nurses recently resigned. The village will have one nurse if the committee's recommendation is accepted.

The new sanitarian, village manager, will begin work June 1, will supervise the department.

**THE PROPOSED** budget also provides funds for another nurse or a sanitarian in six months. It is decided that an additional person is needed.

The village was in the same situation last year. The sanitarian had been hired and the trustees decided to wait

for a year to determine whether one more sanitarian would be needed.

The health director, a nurse, already was part of the department and money was provided for hiring another nurse in the middle of the year. A second nurse was hired last year.

The sanitarian, who since has resigned, told the village administration that at least one more person was needed in the department.

The sanitarian recommended that the ideal number of personnel would be one for

every 15,000 population, or at least three sanitarians in Arlington Heights.

The village's new sanitarian, William Mack, said, according to Village Manager L. A. Hanson, that there is no need for another nurse at present.

**RICHARD DAWSON**, the former sanitarian, supported his claim for an additional man with a detailed report on the present services of his department.

According to the report, (Continued on Page 2)

Two Arlington Heights women were injured Wednesday evening in an auto accident at Dempster and Algonquin.

## Two Women Hurt In Head-On Crash

Two Arlington Heights women were injured Wednesday evening in an auto accident at Dempster and Algonquin in Mount Prospect.

Mrs. Marie Cotten, 37, 2710 Briarwood, and her daughter, Jessica, 16, were admitted at Northwestern Community Hospital for treatment. Mrs. Cotten was described as in good condition with injuries to her knee.

## COG Executive Board Urges Elm Disease, Pollution Controls

The executive committee of the Council of Governments of Cook County yesterday voted to develop a countywide approach in suburban Cook County to control Dutch elm disease and to reduce air pollution.

**BERNARD G. CUMMINGS**, Park Forest representative on the executive committee, was named to head a special group to develop an effort to control Dutch elm disease. Dr. Carl Moore, director of University of Illinois extension work in Cook County, will assist the

## 17 Prospects in Line For School Dist. 23 Superintendent Post

The committee for recruiting superintendents for a successor to resigning Prospect Heights School Dist. 23 Super, Louis Pennino has received names of 17 prospects.

School Board President Robert LeFavre announced, recently, "We currently have a list of 17 prospects in hand, and also letters from placement boards in other colleges containing four candidates in addition."

**THE COMMITTEE** has arranged no interviews, LeFavre said. Members of the committee are Patrick Tracey, J. Donald Etkin, Mrs. Martha Koscich and LeFavre.

Pennino is leaving his post as superintendent after four

## Gripe Of The Day

## Residents Granted Brief Reprieve on Tax Payments

By RICHARD CRABB

Whedding and Elk Grove Township taxpayers, as well as those elsewhere in suburban Cook County, today got a short reprieve on payment of personal property taxes and the first installment of real estate taxes.

The delay had been expected by township collectors. They met in recently as last Monday evening with village and collection of taxes. Even four days ago county officials said that it would

personal property taxes and first installment of real estate taxes normally are due on May 1. This year they will be paid into the mail last night April 30.

The second installment of real estate taxes will be due on the regular date, Sept. 1.

The delay had been expected by township collectors. They met in recently as last Monday evening with village and collection of taxes. Even four days ago county officials said that it would

## Aid on Way In Limiting City Annex

Jack Paul, mayor of Elk Grove Village, said that, contrary to report of about a year ago, the City of Chicago is trying to move west from the O'Hare International Airport and in some form is planning to annex a portion of the village of Elk Grove.

**PAUL SAID** that traditionally all the land south of the tollroad extending

## Tire Taken

Domestic Farms of Morton Pontiac sold Arlington Heights Ford on Wednesday that a tire and a front fender had been taken by the company at 666 E. Northwest Hwy.

## Planners Urge Annexation, Apartment Zoning for Land

Kahn said the plan is to construct a 10-story apartment building with 30 one-bedroom apartments and 12 two-bedroom apartments. The plan is to be submitted to the village board of trustees by the Arlington Heights Planning Commission.

The land, known as the Zeller-Tomas property, is presently owned as a single-family dwelling at 1401 W. 11th St., near the village of Oak Park.

## Stonage Residents Persist in Battle On Lighting Renewal

Stonage residents have not given up their fight to retain the subdivision's lighting system. They are now in a second round of a battle with the state to replace their old lights.

**LEONARD KOWAL**, one of the residents, said that the village board has agreed to replace the lights with new ones.

## Urged for Health Board

The Board of Health of Arlington Heights has recommended that village trustees appoint a health board.

**DR. JOHN DAWSON**, chairman of the health board, said that the board has agreed to replace the lights with new ones.

## Man Found Guilty of Robbery

Anthony Lillo, 33, of Chicago, was sentenced to 15 years in the state reformatory for robbery Tuesday in Criminal Court by Judge Francis E. McConium.

Lillo was arrested Sept. 25, 1966, by Arlington Heights Police for the robbery of a man in a car.

## Real Estate Tax Relief Allowed for Flood Damage

Arlington Heights and Mount Prospect residents whose homes were damaged by Weiler Creek flooding last summer may apply for real estate tax relief.

**THE TOWNSHIP** board of trustees has agreed to provide relief for residents whose homes were damaged by flooding.

## Man Found Guilty of Robbery

Anthony Lillo, 33, of Chicago, was sentenced to 15 years in the state reformatory for robbery Tuesday in Criminal Court by Judge Francis E. McConium.

Lillo was arrested Sept. 25, 1966, by Arlington Heights Police for the robbery of a man in a car.

## Urged for Health Board

The Board of Health of Arlington Heights has recommended that village trustees appoint a health board.

**DR. JOHN DAWSON**, chairman of the health board, said that the board has agreed to replace the lights with new ones.

# One of Three Marriages Ends in Divorce

BY TED LACEY

Divorce is an ugly word to most people, yet it has a profound meaning for the one out of every three couples whose marriages end in divorce in Cook County.

The role of the divorce lawyer is not always as respected one either, since some lawyers specialize in providing "quickie" divorces for a high fee.

But the attorney concerned with doing the best job is skilled in dealing with the sensitive involved in the legal aspect of the divorce of human relationships. In some cases, perhaps more than any other type of case, every minute counts, so-called impartial justice must be meted out with the utmost of the feelings of the people whom it judges.

ACCORDING TO Arlington Heights, Ill., William Moore, of Frannan & Moore, 102 S. Arlington Heights Rd., at least 50 per cent of a

lawyer's time spent on a divorce case is taken up with counseling the people involved.

"The great majority of people who enter into divorce proceedings," Moore said, "have with a great sense of personal failure, doubt and loss—especially the women."

"Often the problem is just one of adjusting domestic relations, and doesn't end up in court at all. Maybe 50 per cent of the people we get in here for divorce don't go to court through after the first few interviews (for which we don't usually charge)."

MANY PROBLEMS arise from lack of experience, Moore said, especially true with today's trend toward early marriage. "What seems to be a hardy at age 18, doesn't learn to love in a hurry at age 30. Experience breeds a certain resilience."

Lawyer's aren't psychologists, but to do our job successfully it requires a

great deal of understanding. "It doesn't take an extraordinary talent to merely go through the legalities of terminating a marriage once the settlement is decided upon. Whether there are legal grounds for divorce is spelled out by the statute."

The lawyer's real task lies in recognizing whether divorce is actually the best answer, and if so, then getting the separated people back on their feet again.

"THE BIGGEST JOB," Moore said, "is making them believe that they can survive and helping the ego-animals that come from a bad marriage. You must create an attitude of emotional self-reliance."

The woman's role in our society is a dependent one, so her relationship with her mate goes bad, the degree of emotional wounding programs. She could be deeply unhappy with her husband as he is afraid to sever connections and re-enter

society with a new identity—a single and independent person, but with the social stigma of being a divorcee, after so many years in a socially secure identity as a housewife."

To be of help a lawyer must establish a relationship of trust with a client, Moore said, so that as the emergence from a situation of total dependency she has some one to turn to who will help her adjust to single life. "The lawyer is more than legal counsel, he is a friend of confidence."

A COMMON attitude lawyers find particularly disturbing, Moore said, is that it is better for persons to stay together even if they have a bad marriage for the sake of the children. "This is a gross disservice to the kids," he said. "It is much better for the kids to live with one tranquil parent than with two parents in a constant state of disharmony. In fact, sometimes the best reason for

a divorce is the affect of a bad marriage on the kids. "If a lawyer does his job well, he will do everything in his power to facilitate a smooth and orderly transition process, to continue the relationship between the kids and their parents."

"Without a doubt, the remedy of divorce is an essential service in our society. Casualty of bad marriage can be as destructive as any disease can."

emotional loss. In fact, two divorces usually follow," Moore said. "You just can't compel them. Everyone is motivated differently and wants a different settlement."

For the time of your life...

Min. George Edwards, Mrs. Brown Butler and Miss. Helen Bates meeting before The Mark Bars and by Tulliver is scheduled at the Alpha Chi Omega meet tomorrow and bridge Wednesday March 26. The Alpha, a branch of the Sigma Beta Society and Central Club, will begin at 12:30 p.m. at the Arlington Heights Municipal Center, Arlington Heights, Ill. 392-9418.

## Parents Without Partners To Elect Officers Friday

An important business meeting of Parents Without Partners, Inc., Chapter 166, will be held March 15 at the Knights of Columbus Hall, 15 N. Hickory, Arlington Heights. The meeting will begin at 8:15.

Electing of new officers and the passing of new by-laws will be the featured events. A nominating committee will present a slate of candidates for each office. Others wishing to be

## Girl Scout Week Being Observed

Girl Scouts of the Northwest Cook County Council are observing Girl Scout Week, March 10-16, with many activities. Beginning with Girl Scout Sunday, March 10, observed in most churches of all denominations, different ones of the scouting program will be emphasized during the week: Home-making, Citizenship, Health & Safety, International Friendship, Arts, and Out-of-doors.

**DISTRICT 9**  
Senior Troop 466 will sell soft drinks at a rummage sale sponsored by the board of the department of St. Alexius Hospital from 9 a.m. to 5 p.m., Saturday, March 16 at the hospital. Proceeds of the sales made by the girls will be used for new dresses for the district section.

**Junior Girl Scouts** at Midway Point will present a program to the PTA at Midway Point on the 16th. The girls will be exhibiting the parts of the world friendship play.

Senior Troop 524 is making favors for the sale at St. Anthony's for St. Patrick's Day.

Senior Troop 476 will make thank-you cards for their families. The girls in this troop brought Girl Scout Week to the attention of all the parish by putting fliers in the church bibles.

## Librarian Training Conducted By U of I

Twenty of the 1,225 persons who will receive librarian training during 1968-69 academic year will participate in the courses conducted at the University of Illinois in Urbana.

The students in school librarianship will demonstrate the application of new techniques to school libraries. All applicants must apply directly to the librarians for admission.

Library educators and parent groups will set up a library information center, or instructional materials center which offer library

Jewel's Miracle Food Prices Save You More! Jewel's Miracle Food Prices Save You More!

## Any Meat Your Family Likes Is A 'Thrifty Cut' Now!

Being able to more frequently serve your family the meats they enjoy is probably the nicest part of Jewel's new meat pricing policy.

While before many meat cuts could fit into the family budget only when they were featured at sale prices, now Jewel offers them to you at regular low prices every time you shop. So you don't have to wait for once-in-a-while specials. You can take home your family's favorites whenever you like.

Of course, these week-long low meat prices also have other advantages. Now you can shop any day of the week you prefer and enjoy "Saturday meat price" savings. And you can include more meat variety in your menus at no penalty to your budget.

It's not surprising many homemakers are now saying: Jewel's everyday low meat prices are the best news since "Miracle Prices"!

# Card Trackmen Get 8 Firsts, Dump Forest View, Niles East

Will Price was one of seven Arlington individual winners Wednesday as the Cards triumphed over indoor veterans with Niles East and Forest View. Price won the 440-yard dash in 54 seconds, while Arlington accumulated 74 points to 41 for Niles East and 20 for Forest View.

Arlington's variety track team won its second straight 2-0 over the Wednesday afternoon crowd collecting eight firsts and trouncing Niles East and Forest View at Niles East.

Forest View picked up only one first, on Dave Lightbulb's 1979 long jump, as the Cards won the Falcons far away from their first win of the season, making up 74 points to 41 for Niles East and 20 for Forest View.

**ARLINGTON'S TOP** Swanson won the two-mile run in 10:15, while other Card cross-countryers—Rory Cassidy and Dave Deers—also took firsts. Cassidy with a 4:30 mile and Deers with a 2:04.3 half-mile.

Dave Deers won the 60-yard high hurdles for Arlington in 8.1 seconds, while Bill White won the 440-yard dash in 54 seconds, first in the quarter mile.

Tom Chandler—with a 329 lb shot put—and Tom White—with a 25' high jump—earned the Cards two other individual firsts while Arlington also won the mile-plus relay in 4:04.5.

**MIKE MESSER** accounted for six of Forest View's points with seconds in both the low and high hurdles. Arlington also won the 200-yard dash in 2:15, while Forest View's 50-51 Niles East's underclassmen recorded 29 points.

The Falcons' Terry Shanon won two of his team's six individual firsts and helped out on a relay win.

Shanon took the 50-yard dash in 5.9 seconds and the 40-yard low hurdles in 4.0, and joined Ray Kuchel, Ray Bowman, and Bob Bell to take the mile-plus relay in 4:15.5.

**DAVE LONG** won the 60-yard high hurdles in 8.7, Bowman captured the half-mile in 2:15, and Forest View's 50-51 Niles East's underclassmen recorded 29 points.

mile run in 2:15.1, Bell took the quarter-mile in 5:64, and a mile led the high jump competition at 5'4" for the Falcons' own rise.

**Varsity results:**  
**ARLINGTON 76**  
**NILES EAST 41**  
**FOREST VIEW 20**

## Athlete of the Week

RICK ORNA

## Wildkitts Halt Oler, Smash Grant, 73-53

Las Or's Grant Bulldogs, the team that rarely bounced Arlington and Wheeling out of the Wheeling Regional Tournament last week, met in a home Wednesday night, full-court basketball game.

The Wildkitts had to make a rare 19-point, 18 of his regional average.

Lucky who wrapped up nine rebounds while Parrell Jones chipped in 17 points and eight rebounds.

The win advances Evanston to the final where they will clash with the winner of tomorrow's 8 p.m. Waikagaw-Maine South game. Maine South earned its sectional berth by thumping Portland in the championship game of the Prospect League.

Ken Combs, an Illinois State University sophomore from Arlington Heights, was one of the leaders of the final area basketball games that wound up in the Prospect League championship March 1 and 2. Ken Combs was named MVP of the final area basketball games.

## SPORTS

**Krause & Kehe, Sellergren Win IN YMCA Meet**

The Arlington Heights Park District men's basketball league has ended with Krause and Kehe taking the Chicago League championship and Sellergren Sports winning the Springfield League. The Springfield League was won by Krause and Kehe, who were the top scorers in the league. The Chicago League was won by Krause and Kehe, who were the top scorers in the league.

**Knight Travel To Meet York**

Knights travel to meet York in a basketball game. The game is scheduled for March 15 at 7:30 p.m. at the York arena. The Knights are looking to improve their record and the York team is looking to win the championship.

**Bulls Announce Playoff Ticket Sales Set-Up**

The Chicago Bulls have announced that tickets for the National Basketball Association playoffs will go on sale at the Chicago Stadium March 22.

The Bulls-Lakers series would open March 24 in Los Angeles, with games in Chicago March 27 and 29 and April 1, if necessary.

Ticket prices will be \$2 for general admission, \$3.50 for the mezzanine, and \$4.50 for the balcony, and \$6 for box seats.

The Bulls are accepting mail orders at their office at 221 North La Salle St.

## Wheeling's Muscle-man, Rick Orna, Earns Day Athlete of Week Award

Rick Orna, the Wheeling muscle-man who has finished the best last season, has earned the Day Athlete of the Week award.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna qualified for last year's state final, but finished in the 11th place. He had strong competition for the title, but he was not able to win.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

Orna's latest win came last weekend at the Barrington district meet of the state gymnastics tournament, where he won the all-around title.

on occupies the winner's step Friday after the all-around contest of the state gymnastics tournament. Kevin Lindsey of Arlington (in front) and Tom Arnold of Glenbrook North Prospect were fifth.

## Women In Real Estate

Women have long been active in real estate selling. Presumably their natural instinct for home making has been a predominant factor in their phenomenal success in this field. Women have wielded a big influence in increasing the number of home owners in this area and deserve their rightful praise. We present our women in real estate:

Northwest Suburban

## GALLERY II TO SELL!

### MR. AND MRS. SELLER

How quickly your home sells depends upon how many potential home buyers SEE your home. This is the advantage which THE GALLERY OF HOMES NORTHWEST has over competitive home-selling methods. Your home is continuously ON DISPLAY... night and day... in attractive attention-getting backlit display showcases.

A color slide projection system features the community around your home, schools, churches, as well as recreational facilities. If you plan to sell, CALL ONE OF OUR thoroughly qualified and professional sales counselors to discuss The Gallery Way of Selling Your Home.

Area's Exclusive Member

Page 2

## 'Con-Con' Debate

The Northwest Suburban Board of Realtors will hold its regular monthly dinner meeting tonight at 7 at Rolling Green Country Club, Rand Rd. at Euclid, Arlington Heights.

The program will consist of a debate on whether or not Illinois should have a Constitutional Convention—a question which will appear on the ballots for the Nov. 5 election.

Speaking against the Constitutional Convention will be Gilbert Feldman, a partner in the law firm of Kalam, Cornfield and Feldman in Chicago. Feldman's firm specializes in the field of labor law and represents numerous labor unions in the midwest area.

Feldman was the attorney who argued the judicial reapportionment case involving the State of Illinois in the federal courts. He also successfully fought the case of Germano vs. Kerner, which resulted in legislative reapportionment in the state of Illinois. Feldman is currently assigned by the United Steelworkers of America to represent it in implementation of its resolution to oppose Coe-Con.

Supporting the Constitutional Convention will be James T. Ota, a partner in the law firm of Spray, Price, Hough & Cushman of Chicago. Ota is a member and current chairman of the Chicago Bar Association Committee on Constitutional Convention Information Service and, since 1965, has been serving as a member of the Illinois Constitution Study Commission, by appointment of the governor.

## The Face Of Future

Unlike awards in many other fields, the 15 International Design citations handed out by the American Institute of Interior Designers at the Pick-Congress hotel in Chicago do not merely assign top honors for home and business designs of the previous year.

They depict the face of the future and identify the new technological trends in furniture design, and will guide amateur home planners by indicating creative ideas in interior furnishings.

The annual A.I.D. award program was started 23 years ago, and while winners in the various categories come from the widest possible range of lands across the globe, all nominees and winners have their products available for American homeowners in national outlets.

**ONE ATTRACTIVE NEW Idea**, equally suitable for indoor or outdoor use, is a one-piece fiber-glass chair with a sculptured look. A Swiss entry this winning design also lends itself to business and institutional decor.

Other top awards went to such products as a French chaise longue featuring synthetic foam over steel tubing and with suspended twenty stretch fabric covering; an Italian light stand allowing adjustment of height and of light beams at any angle; a collection of bold hand-printed fabrics from Finland; textured chrome wallpaper patterns; pin-stripe vinyl wall coverings by Comark Plastic; an electric desk clock of aluminum and rosewood with an off-center window for telling time; textured vinyl coverings for hard floors in a 50-color range; Pittsburgh Corning's structural glass window clear glass units, sculptured and decorated versions of glass bricks; soft floor coverings of nylon and Zefran acrylic fiber, cutlery glass of Grolé, hermes, and Architectural Fibreglass' offering of street furniture of a planter bench to seat eight.

## How to Win The War On Pesky Jobs

Decisions, decisions . . . where to start on those home repairs?

"Divide and conquer" can help you win the war on those pesky jobs which keep piling up and cause the familiar condition known as Homeowner's Harassment.

Winter is an ideal time to tackle the problem. Your best tools are always at hand: paper and pencil.

**START BY MAKING** two lists, one for indoor jobs, the other for outdoor repairs.

Most of the items, needing attention, which are on the exterior will probably have to be put off until good weather returns. But right now is the time to list them in the order of their importance, cost, and amount of time needed to finish them. You will find you automatically are breaking down outdoor chores into big repairs or improvements and little ones.

Do the same thing when drawing up your indoor roster of repairs, but subdivide these into work you can handle right away, a little at a time, and projects which can be done later in the year.

**YOU'LL ALSO FIND** these lists read time-savers no matter what the weather is like, when you go shopping in the

hardware store, or stop in at the lumberyard. And don't fail to discuss your repair job, big or small with your local northwest suburban dealer of the tools and products you will need for those jobs. It's quite possible there is an easier way to achieve the result you're looking for, and local merchants are just the men with the know-how who can best advise you, or at the very least tell you what other suburban homeowners have done to solve their repair problems. They usually take a personal interest in you as a customer and a neighbor.

There's a big mental "lift" you'll get, too, each time you draw a "line" through.

### Outdoors Indoors

To give a room that look of absolute luxury there's nothing like ceiling-to-floor drapes of rich fabric. The fiber glass materials now available are usually fire resistant, washable and need no ironing.

### ACCENT WALL

Decorated or sculptured ceramic tile can provide an attractive accent wall in any room of the house, suggests the Tile Council of America.

another item and a feeling of satisfaction as you see that long list divide to just nothing at all.

## REAL ESTATE CORNER

By Robert L. Nelson  
President, Robert L. Nelson, Realtors

### FALL-PROOF LIGHTING

Do you know the best methods of lighting your home to make it safe?  
Check your lighting carefully. Improper lighting is one of the prime causes of falls in the home. Many people simply can't see where they are going.  
All stairways should have lights. The light should be operable both from the top and the bottom. All rooms should have a switch near the door. Then the light can be turned on without stumbling in the dark. Night lights are a wonderful safeguard for the whole family. Put them in hallways, bedrooms, bathrooms, wherever people walk. Eyes do not adjust too quickly to changes in light. Many people have been memorably injured in the sudden switching on of a light.  
It is always good to keep a flashlight on the bedside table.  
Robert L. Nelson, Realtors, sold 55 homes in February, in cooperation with M.A.P. Multiple Listing Brokers. When you think of Real Estate ... think of Robert L. Nelson ... MOST PEOPLE DO!

WATCH MEET WITH FOR  
"FALL-PROOFING YOUR FLOORS"

Thursday, March 14, 1968

Page 5

## Humidity Is Key To Indoor Green Thumb

The "tender loving care" needed by your house plants during winter can be all wrapped up in one word: humidity.

Don't worry too much if your rating as amateur plant grower of green things indoors seems to drop to a new low when your plants show signs of languishing.

The probability is high that the humidity factor is the one you've ignored. If your

home has the proper atmospheric humidity, there is no problem. The plants will thrive. If they lack adequate moist air or there is improper moisture in the soil, you can do something about that easily.

Put some decorative vases, jars or plants filled with water near the plants. You can even make these containers look

attractive by sticking sprays of any green cuttings in them.

Sometimes emergency measures are needed, and you can speed up the humidity increase by covering the plants with a transparent plastic, or even spray the indoor garden with water at room temperature. Of course, plants near sunny windows need more frequent watering.

**It's Easy  
To Make  
A Rack**

An aquarium stand? An under stairs rack? A bicycle stand...an off-the-shelf storage rack...a pet cage or an overhead garage storage shelf...even a hand puppet theater...whatever that special project is, there's a good chance you can do the whole job with two tools: an ordinary wrench and a hacksaw.

And, of course, a package of Dexion steel slotted angles.

JUST THREE easy steps enable you to turn out a sturdy, long-lasting and good-looking unit. A rough sketch of your proposed item will guide you to a cutting schedule, and you usually need only bolt the structure together. For more elaborate jobs, you can always add plywood or hardboard table tops or shelves. Dexion products come in 1/2" or 1" in a choice of standard size or heavy duty lengths all the way up to 6 1/2 feet.

There is literally nothing, permanent or temporary, that you cannot put together with the slotted angles and the same material can be used over and over again.

A go-cart, for instance, can be changed into a machine stand, then into a saw horse or an off-the-floor platform, without any additional cost. Durability and appearance are guaranteed by the cold rolled steel, etched, painted and finished with a tough, baked enamel, white plastic, feet protect floor surfaces and produce a smart professional look to your finished project.

DEXION PRODUCTS are available from the New York-based firm, according to the manufacturer, in these northwest suburban outlets: in Arlington Heights, at Bowen V & S Hardware; in Mount Prospect, at Ace Hardware and at Willie Hardware; in Palatine, at Hamon V & S Hardware; and at Zimm Hardware. Get into it while we get back to our ping-pong table activities. By the way Ping Pong Table, which is Idea No. 17 on the Dexion list of suggestions, does call for a piece of plywood, but it's easily converted into a slot facing surface or a model railroad table.

Quick, where's that wrench?

**Shutters Good  
Inside or Out**

Shutters need not be just for exterior use.

The high decorative effect afforded by shutters when brought indoors is many-faceted.

Try hinging them together as a screen, or using them to conceal an unsightly radiator or piping, or as a background for large potted house plants.

You can create the illusion of a wider or longer window by hanging them inside. A paper-strewn desk or a cluttered sewing machine can be kept from sight by shutters, which you can fold away snugly when not in use.

The variety of decor in your house need not hinder your planning: shutters are available in every design, from rustic simplicity to Victorian elegance, and can be painted in contrasting or complementary colors to match your mood.

They also lend themselves gracefully to serving as a background for hanging such bric-a-brac as strings of metal bells, exotic fans, or even Chinese scroll-type paintings.

**Look of Luxury**

High traffic areas where soiling is a daily, even hourly problem, demand the new outdoor type carpeting. Increasing use of it in such indoor locations as kitchens, basements, and family rooms shows that the American woman knows a good thing when she sees it.

## Set New Records

Baird - Warner's Arlington Heights and Mount Prospect offices have reached new records in sales, according to Robert G. Walters, assistant vice-president and district sales manager. He reports that the two offices under his supervision participated in gross sales totaling \$11,095,212 during 1967 for a 22.8 percent increase over the \$9,036,883 tallied the previous year. The number of sales improved 13.8 percent from 297½ in 1966 to 339 last year.

All members of the sales staff in these two offices associated with the veteran real estate company over the past year were honored as star salesmen for outstanding production at Baird & Warner's annual meeting at the Marriott Motor Hotel

at 8535 Higgins Rd., Chicago.

Accorded the honor by John L. Hall, general sales manager and senior vice-president, were Robert G. Walters, Mariel Maitland, Margaret Christian, Mariel Maitland, Donald Bondy, Harry Cronin, Hal Culver, Tom Griest, Nick Ivi, Willard Walworth, Roger Baum, and Don Geary.

Jones was the highest producer in Arlington Heights for the fourth quarter and Margaret Christian achieved the same goal in Mount Prospect. Jones also tied with Ellen Young of the Glen Ellyn office as producer of the greatest number of sales among suburban sales staff members. Jones, Mrs. Christian, and Walters also gained membership in Baird & Warner's Million Dollar Club.

## Author of 'Crisis In Credibility' to Appear at Reception

Arthur, Bruce Ladd, former newspaperman and now administrative aid of Rep. Donald Rostenfeld (R-13th Dist.) will be honored here next Thursday and Friday.

Ladd is author of the book "Crisis in Credibility," published March 1 and already in its second printing. He will be guest of honor at a cocktail party Thursday in the home of Mr. and Mrs. Jack Keller.

Ladd will be a guest at an anniversary party at the Book Nook Bookstore in Mount Pleasant from 5 until 9 p.m.

Mr. and Mrs. Ladd have been favorably reviewed in such magazines as the National Library Review and Secondary Review of Literature. The book traces events which Ladd says resulted in a present law abid in the credibility of the U. S.

## American Life Faster-Paced, Say Area Exchange Students

By BETSY BROOKER

Highly Women Club Thursday

The other girls are

Brazilian Vera De Silva, a

Wheeling High School student,

and Pauline Roth, a

native of South Africa and

Arlington High School student.

Christie, a native of Austria,

is one of three AFPS girls who

spoke to the Arlington

clearroom all day while the

teachers transferred each

program world each day, rather

than remaining uniform

throughout the year.

Although they can choose

their general high school

program, their courses are set

for them. They have no extra-

curricular activities. According

to Mrs. Collins, the AFPS pro-

gram is an opportunity to take

courses to take courses they

couldn't have otherwise.

When asked what they thought

of the program, the girls said

it was very helpful. "I thought

of the boys would have more

credit, but we have more

year plus shirts with blue

jeans."

"When I heard I was going

to Chicago, I immediately

thought of gangsters," said

Pauline.

According to Christie, most

of the students identify

with the U.S. with New York City.

She said she thought all

Americans would be rich and

that skyscrapers would be

everywhere.

On the other hand, American

people have more

ambitions of their countries

than the students.

"Everyone thinks that we

are lazy and live in the

hills," said Vera.

"When I tell people I'm

from South Africa, they think

I have a lot of wild animals

and eat them by lunch

time," said Pauline.

"Everyone is not our national

ambition," Christie said.

According to Mrs. Paul Collins,

chairman of the club's

International Affairs Committee,

it costs approximately

\$750 for each student to come

to the United States. Most of

the funds are provided by high

school student council. The

## Circuit Court Judge Lauds Suburban Judicial System

By MEL MILES

A judge who has spent almost a lifetime in courts and who recently served on the bench for 13 months in Chicago's traffic court, said that the suburban district court system is a "model of efficiency."

Judge John J. Kelly, now presiding judge of the Mount Pleasant Branch of the Circuit Court, said that it is difficult to find a judge who can handle the day in court under the crowded conditions existing in Chicago traffic court.

"The courts here in Mount Pleasant," the judge said, "are a model of efficiency. The judges here are able to handle the day in court under the crowded conditions existing in Chicago traffic court."

"The courts here in Mount Pleasant," the judge said, "are a model of efficiency. The judges here are able to handle the day in court under the crowded conditions existing in Chicago traffic court."

"The courts here in Mount Pleasant," the judge said, "are a model of efficiency. The judges here are able to handle the day in court under the crowded conditions existing in Chicago traffic court."

"The courts here in Mount Pleasant," the judge said, "are a model of efficiency. The judges here are able to handle the day in court under the crowded conditions existing in Chicago traffic court."

"The courts here in Mount Pleasant," the judge said, "are a model of efficiency. The judges here are able to handle the day in court under the crowded conditions existing in Chicago traffic court."

Grand  
Opening

## Just Around The Corner!

This coming Monday is the day when a new Jewel-Osco is opening near your home. And what a store it is!

While it's designed to bring you all the conveniences you've always liked about Jewel-Osco, this brand new store has more to offer than you've ever enjoyed elsewhere. It's actually the biggest and finest of its kind in the vicinity. With plenty of parking space. Lavish variety in every department. Friendly, helpful folks to give you the kind of personal service you appreciate.

In order to properly introduce this exciting new store to you, a very special Grand Opening celebration is being planned for this Monday. Fabulous bargains will be waiting. Plus a lot of other fun and surprises.

We hope you'll be able to join us. It's not much longer now!

# Cards Stak State Gym Title

DICK RAINER

BY RALPH NOVAK

Arington High School's variety gymnasts, tugging along a strong chance for the school's second state championship of the 1967-68 academic year, led a well-populated District 214 contingent into the state finals at Maine State this weekend.

The Cards, with 12 gymnasts qualified through the regional trials, were looking to match the state title earned by their school last year when they led in form to do it.

**DEPENDENT STATE** championship Evanston has 13 of its athletes in the finals at a relatively easy tour through the Maine State Finals. The schools that finished 2-3 to Arington's Schoolhouse League conference men, Wheeling and Prospect, will also be in the way of a Card win, the Wildcats with a strong performance, and the Knights with seven.

Chew said Thursday his team qualified concentrated on polishing their routines there.

"It's a matter of what's been done over the last week and a half," he said. "We have been working on it."

## State Gym Final When, Where

The state gymnastics finals open at 2 p.m. the afternoon of Saturday, June 16, at the Maine State High School, Dummer St. and Foster St. in Portland.

The site here, including the state finals, will be in the way of a Card win, the Wildcats with a strong performance, and the Knights with seven.

The 10 gymnasts in the preliminary rounds, including the state finals, will be in the way of a Card win, the Wildcats with a strong performance, and the Knights with seven.

to do what we have and do it well."

And Maine State, even though it has only three gymnasts in the finals, may be the biggest threat of all, because one of the three, Dick Rainer, could swing off with three first places if he's hitting.

**PROSPECT** placed second in last year's finals, placing up 36½ points to Evanston's 51½. And Knight coach Richard Chew has two men who scored in last year's finals.

All-around workouts Bruce Smith placed fifth in the all-around competition, led for fourth on parallel bars, and took sixth on the horizontal bar in 1967. And side horse star Kay Barr, a favorite for an individual state title if there ever was one, was sixth last year.

**WHEELING** was fifth in last year's meet, and has one of its point-earners — Dick

## Lineup of Area Finalists

The lineup of area gymnasts in the state finals that begin today:

**IDE HORSE**  
Doug Adkins, Arington; Ken Barr, Prospect; Ken Bader, Wheeling; Dena Matson, Prospect

Rainer — back. Rainer was second in all-around competition and ninth on the parallel bars as a junior.

Arington managed only a 10 for 1968 last year, all of its points coming on a tie for the trampolines fifth place with the sophomores Terry Hansen and

Forest View, which will have three representatives in this year's finals, but no scores last year.

Arington held little trouble taking a 10 in the district line championship last year, leading to 36 points

The Cards had one champion — Rainer — and a co-champion — similar Gary Dene, Barr and Wheeling's Dick Ryan on the still rings was at Barton, while on the side horse first three firsts: Dene, Barr, and Rainer, and all-around.

### Maine S. Nips Waukegan, 42-36; Meets Evanston

BY TOM WALSH

Maine South overcame a 10-point first-quarter deficit Thursday to take a nine-point victory over Waukegan in the first game of the season. Maine South followed suit with another shutout to knock the Hawks into a two-point cushion.

The win took the 23 Hawks into the Friday night final with 21 Evanston, who defeated Grant in first-round action, 75-53, Wednesday night.

Senior guard Mike Mancuso paced Evanston's offensive attack, pumping in 20 of 30 shots for 42 points, and one of five free throws for a game-high 36 points.

Waukegan's Martin at 34-40 once again led the score, but Tom McLachlan set the Hawks up by a point with a free throw in the final minute, adding a lanky free throw, and teammate Ron Bradshaw followed suit with another charity shot to knock the score, 31-31. Mancuso scored with a field goal, handing the Hawks a two-point cushion.

A BASKET by Martin at 34-40 once again led the score, but Tom McLachlan set the Hawks up by a point with a free throw in the final minute, adding a lanky free throw, and teammate Ron Bradshaw followed suit with another charity shot to knock the score, 31-31. Mancuso scored with a field goal, handing the Hawks a two-point cushion.

## A Day Sports Essay

# Gymnastics District Horn of Plenty Overflows

BY RALPH NOVAK

There are a number of things that could keep Arington High School from becoming state gymnastics champions this weekend.

One would be a bad performance by Arington's 12 state finalists. Another would be a strong performance by Maine State's 13-state contingent, or a co-champion by Maine State's Dena Matson.

A third factor—and this would be the really unfortunate one—would be the Illinois High School Association, the governing body over almost all Illinois high school interscholastic competition, athletic and otherwise.

It is the IHSA that drew up ground rules for state tournaments. And it was the IHSA that drew up the district alignments for this year's gymnastics tournament.

"The Rhythm Club, Inc., the non-profit businessmen's band that will play for dancing at the May 4 benefit dance to be held for the Clearbrook Center at Innes Country Club. The group entertains only for selected local organizations such as Clearbrook.

## Businessmen's Orchestra to Play For Clearbrook Dinner Dance

An unusual musical aggregation, possibly unique in the northwest suburb, which goes by the name of "The Rhythm Club, Inc.," will provide music for dancing at the second annual Clearbrook Benefit and Dinner Dance, on April 6 at the Innes Country Club.

(Old Note: An earlier news release identified the group, incorrectly, as The Art Hale Orchestra.)

The 15-piece orchestra, composed of businessmen from the area, is unusual in that it is entirely non-profit and plays only for selected civic affairs and benefits, such as for Clearbrook.

According to the group's business manager, Art Hale, the orchestra was formed about eight years ago around a nucleus of a few musicians in and around Park Ridge, who played in the "pit bands" for variety shows produced by the Field School and Washington School PTAs and by the Mothers' Club of Maine East High School.

Seeking to expand their musical efforts, and sharing a bias for times in the style of Beckley-Cardy Promotes Straths

Richard E. Strath, 400 N. Pine-Buckman Parkway, has been named manager of dance promoting at Beckley-Cardy Co., Chicago.

Before his promotion, Strath was senior programmer and systems analyst for the firm.

those popular in the 30s and 40s, the group formed "The Rhythm Club," incorporating its membership in a not-for-profit organization to avoid "incorporation."

Members of the orchestra now had not only from Park Ridge and Des Plaines but from communities as far away as Rolling Meadows, Melrose and Wheaton. Occupations of the executive in wide range from engineering and sales to printing and road contracting.

THE ORCHESTRA got its start, according to Mr. Hale, not only from the opportunity to play in favorite band of music but from leading a helping hand to community organizations which could not otherwise afford professional-quality musicians for their functions.

"The Rhythm Club" plays standard string arrangements of the era of the "big bands," as well as arrangements composed by its director, Jim Matton.

The April 6 benefit dinner dance has been planned by the Board of Directors of the Clearbrook Center for the located, 3201 W. Campbell, Rolling Meadows, to help raise building and operating funds for the fast-growing community service organization.

CLEARBROOK currently provides day care for about 125 mentally handicapped children and young adults in

School Dist. 39 will hold a public auction of its unwanted "little acre" at 10 a.m. Monday, March 18.

The acre is located at the north end of the Joliet Lane School big parking lot, in the Sunny Ridge subdivision of Arlington Heights.

You can come and watch the auction.

You can even buy the acre. If you want to bid the \$10,000 minimum that the school board has established.

Actually, the school district won't be too upset if it has no customers. Latest hopes

are that Dist. 39 may be able to offer the land to Arlington Heights Park District people, with builders.

and with School Dist. 39 officials about some land-reading possibilities.

**JOIN THE WORK-IN**  
**WORK IN:**  
• New, Ultra-Modern Facilities  
• Completely Air-Conditioned Offices  
• Close-To-Home Company

Work close to home at Halliwell's new Engineering & Administrative Center in Rolling Meadows. Our completely air-conditioned facility conveniently located on Hicks Road, just a few minutes drive from your home.

You'll enjoy our interesting work building prototype models of electronic military equipment. Background should include small parts assembly in government electronics and the ability to read resistor color codes. Wiring and soldering experience a must.

You will also enjoy our new cafeteria, spacious computer parking lot, free life insurance, hospitalization, major medical and the opportunities for quick advancement.

Call now and see what Halliwell's has for you and your family.
